

**Board Policy: Response to Immigration Enforcement**

**Reference: BP 5145.13(a)  
Board Approved: August 28, 2018**

Camino Nuevo Charter Academy (CNCA) students reside in some of the most historically underserved areas of Central Los Angeles, including the communities of MacArthur Park, Pico-Union, Wilshire Corridor, and Echo Park – a region that is home to a large immigrant population from Mexico and Central America and whose members have made invaluable contributions to the local economy and culture. The United States is a nation built by immigrants and native peoples alike, and over two centuries its legal institutions have upheld the principles of liberty, equality, and justice enshrined in the U.S. Constitution. CNCA was founded over 15 years ago by immigrant families and civic leaders seeking to give children from underserved communities a safe, nurturing environment that would prepare students for success in college and in life.

The Camino Nuevo Charter Academy Board of Directors is committed to the success of all students and believes that every school site should be a safe and welcoming place for all students and their families irrespective of their citizenship or immigration status.

CNCA staff shall not solicit or collect information or documents regarding the citizenship or immigration status of students or their family members or provide assistance with immigration enforcement at CNCA schools, except as may be required by state and federal law. (Education Code 234.7)

No student shall be denied equal rights and opportunities nor be subjected to unlawful discrimination, harassment, intimidation, or bullying in CNCA's programs and activities on the basis of his/her immigration status. (Education Code 200, 220, 234.1)

The CEO or designee shall notify parents/guardians regarding their children's right to a free public education regardless of immigration status or religious beliefs and their rights related to immigration enforcement. (Education Code 234.7)

Consistent with requirements of the California Office of the Attorney General, the CEO or designee shall develop procedures for addressing any requests by a law enforcement officer for access to CNCA records, school sites, or students for the purpose of immigration enforcement.

Appropriate CNCA staff shall receive training regarding immigration issues, including information on responding to a request from an immigration officer to visit a school site or to have access to a student.

The CEO or designee shall report to the Board in a timely manner any requests for information or access to a school site by an officer or employee of a law enforcement agency for the purpose of enforcing the immigration laws. Such notification shall be provided in a manner that ensures the confidentiality and privacy of any potentially identifying information. (Education Code 234.7)

### **Responding to Requests for Information**

Unless authorized by the Family Educational Rights and Privacy Act pursuant to 20 USC 1232g, student information shall not be disclosed to immigration law enforcement authorities without parental consent, a court order, or judicial subpoena. The CEO or designee shall annually notify parents/guardians that Camino Nuevo Charter Academy (CNCA) will not release student information to third parties for immigration enforcement purposes, unless the parent/guardian consents or as required to do so by a court order or judicial subpoena.

Upon receiving any verbal or written request for information related to a student's or family's immigration or citizenship status, CNCA staff shall:

1. Notify the CEO or designee about the information request;
2. Provide students and families with appropriate notice and a description of the immigration officer's request;
3. Document any request for information by immigration authorities;
4. Provide students and parents/guardians with any documents provided by the immigration enforcement officer, unless such disclosure is prohibited by a subpoena served on CNCA or in cases involving investigations of child abuse, neglect, or dependency.

Resources and data collected by CNCA shall not be used, directly or by others, to compile a list, registry, or database of individuals based on national origin, immigration status, religion, or other category of individual characteristics protected against unlawful discrimination.

CNCA staff shall receive parent/guardian consent before a student is interviewed or searched by any officer seeking to enforce civil immigration laws at the school, unless the officer presents a valid, effective warrant signed by a judge or a valid, effective court order. A student's parent/guardian shall be immediately notified if a law enforcement officer requests or gains access to the student for immigration enforcement purposes, unless the judicial warrant or subpoena restricts disclosure to the parent/guardian.

All visitors and outsiders, including immigration enforcement officers, shall register with the principal or designee upon entering school grounds during school hours. Each visitor or outsider shall provide the principal or designee with his/her name, address, occupation, age if less than 21, purpose in entering school grounds, proof of identity, and any other information required by law. (Penal Code 627.2, 627.3)

CNCA staff shall report the presence of any immigration enforcement officers to on-site security and/or appropriate administrators.

As early as possible, CNCA staff shall notify the CEO or designee of any request by an immigration enforcement officer for access to the school or a student or for review of school documents, including service of lawful subpoenas, petitions, complaints, warrants, or other such documents.

In addition, CNCA staff shall take the following actions in response to an officer present on the school campus specifically for immigration enforcement purposes:

1. Advise the officer that before school personnel can respond to the officer's request, they must first receive notification and direction from the CEO or designee, except under exigent circumstances that necessitate immediate action
2. Request to see the officer's credentials, including his/her name and badge number, and the phone number of the officer's supervisor, and note or make a copy of all such information
3. Ask the officer for his/her reason for being on school grounds and document the response
4. Request that the officer produce any documentation that authorizes his/her school access
5. Make a copy of all documents produced by the officer and retain one copy for school records
6. If the officer declares that exigent circumstances exist and demands immediate access to the campus, comply with the officer's orders and immediately contact the CEO or designee
7. If the officer does not declare that exigent circumstances exist, respond according to the requirements of the officer's documentation, as follows:
  - a. If the officer has an Immigrations and Customs Enforcement (ICE) administrative warrant, CNCA staff shall inform the agent that they cannot consent to any request without first consulting with the CNCA's legal counsel or other designated CNCA official.
  - b. If the officer has a federal judicial warrant, such as a search and seizure warrant or an arrest warrant signed by a federal judge or magistrate, CNCA staff shall promptly comply with the warrant. If feasible, CNCA staff shall consult with the CNCA legal counsel or designated administrator before providing the officer with access to the person or materials specified in the warrant.
  - c. If the officer has a subpoena for production of documents or other evidence, CNCA staff shall inform CNCA's legal counsel or other designated official of the subpoena and await further instructions as to how to proceed.
8. Do not attempt to physically impede the officer, even if the officer appears to be exceeding the authorization given under a warrant or other document. If an officer enters the premises without consent, CNCA staff shall document the officer's actions while on campus.
9. After the encounter with the officer, promptly make written notes of all interactions with the officer, including:
  - a. A list or copy of the officer's credentials and contact information

- b. The identity of all school personnel who communicated with the officer
  - c. Details of the officer's request
  - d. Whether the officer presented a warrant or subpoena to accompany his/her request, what was requested in the warrant or subpoena, and whether the warrant or subpoena was signed by a judge
  - e. CNCA staff's response to the officer's request
  - f. Any further action taken by the officer
  - g. A photo or copy of any documents presented by the officer
10. Provide a copy of these notes and associated documents collected from the officer to CNCA's legal counsel or other designated CNCA official

CNCA legal counsel or other designated official shall submit a timely report to the Board of Directors regarding the officer's requests and actions and CNCA's responses. (Education Code 234.7)

The CEO or designee shall also email the Bureau of Children's Justice in the California Department of Justice (BCJ@doj.ca.gov) regarding any attempt by a law enforcement officer to access a school site or a student for immigration enforcement purposes.

#### **Responding to the Detention or Deportation of Student's Family Member**

The CEO or designee shall encourage students and their families to update their emergency contact information as needed throughout the school year and to provide alternative contacts, including an identified trusted adult guardian, in case a student's parent/guardian is detained or is otherwise unavailable. The CEO or designee shall notify students' families that information provided on the emergency cards will only be used in response to specific emergency situations and not for any other purpose.

The CEO or designee shall also encourage all students and families to learn their emergency phone numbers and be aware of the location of important documentation, including birth certificates, passports, social security cards, physicians' contact information, medication lists, lists of allergies, and other such information that would allow the students and families to be prepared in the event that a family member is detained or deported.

In the event that a student's parent/guardian is detained or deported by federal immigration authorities, the CEO or designee shall release the student to the person(s) designated in the student's emergency contact information or to any individual who presents a caregiver's authorization affidavit on behalf of the student. The CEO or designee shall only contact child protective services if CNCA personnel are unable to arrange for the timely care of the student by the person(s) designated in the emergency contact information maintained by the school or identified on a caregiver's authorization affidavit.

The CEO or designee shall notify a student whose parent/guardian was detained or deported that the student continues to meet the residency requirements for attendance in a CNCA school, provided that the parent/guardian was a resident of California and the student lived in California immediately before he/she moved out of state as a result of the parent/guardian's departure. (Education Code 48204.4)

The CEO or designee may refer a student or his/her family members to other resources for assistance, including, but not limited to, an ICE detainee locator, legal assistance, or the consulate or embassy of the parent/guardian's country of origin.
