(5th), Liberty (1st), Mentor (7th)**

Baker SO Club is in the process of forming 2- 3 teams for the 2019-2020 competitive season. Each team will have 15 students. There are 23 events in the areas of Life, Personal & Social Science, Earth & Space Science, Physical Science and Chemistry, Technology and Engineering, Inquiry & Nature of Science. Each student will be allocated 3 - 4 events. Students are required to spend 10 – 15 hours per week. In order to prepare the students to compete in the tournaments, parents are required to coach at least one event. Tournaments are held in Michigan and Ohio. Tournaments are run full day on Saturday's between the months of December 2019 – May 2020.
