

# Music Creation Project

**For this project, you will use Soundation, a web-based audio editing program, located at:**

**<http://www.soundation.com>**

**Using Soundation, you will create at least 1 out of the 3 songs below.**

**Song 1 – A song that shows happiness:**

- **Should be between 1 – 2 minutes long.**
- **Should have at least 5 different audio clips**
- **Save this one as “Your Last Name-Happy”**

**Song 2 – A song that shows anger or sadness:**

- **Should be between 1 – 2 minutes long**
- **Should have at least 7 different audio clips**
- **Save this one as “Your Last Name-Angry” or “Your Last Name-Sad”**

**Song 3 – A song would be on a soundtrack in a movie about your life.**

- **Should be between 1 – 2 minutes long**
- **Should have at least 10 different audio clips**
- **Save as “Your Last Name – Soundtrack”**
