

Attention Hattiesburg Public School District Parents and Guardians!

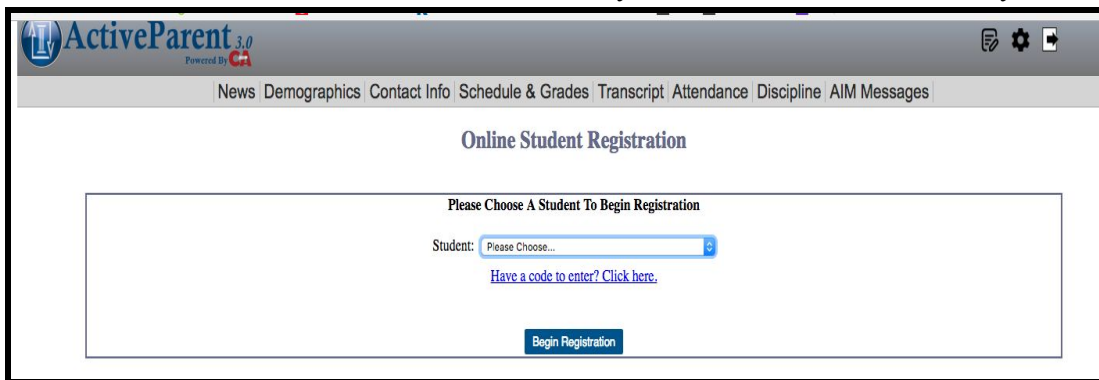

The 2019-2020 school year registration is fast approaching, and the registration of **all Hattiesburg Public School District students** must be completed using the **online ActiveParent system**. Many families already have an existing ActiveParent account, but those who do not are required to create an account before any student can be registered for school.

If you are the parent/guardian of a **2019-2020 NEW** student to the Hattiesburg Public School District, an **incoming Kindergarten**, or **do not** currently have an ActiveParent account, please go to your child's school with a picture I.D. to have your ActiveParent account created. Use the ActiveCode that you receive from your child's school to start the registration process for the 2019-2020 school year, beginning by clicking the **pen/pad icon** in the upper right hand corner of your ActiveParent page and selecting the **correct school year (SY2019-2020)** from the **dropdown menu**.

If you are the parent/guardian of a **2019-2020 RETURNING** student to the Hattiesburg Public School District, ActiveParent will be live and ready for your use on **May 1, 2019**, to complete the online portion of the registration process. If you have forgotten your ActiveParent **PASSWORD**, please select "Forgot Password" to reset your password. However, if you have forgotten your ActiveParent **USERNAME**, **DO NOT** create another account; contact your student's school to recover your **USERNAME**.

The **2019-2020** school year Hattiesburg Public School District online registration access via ActiveParent opens for:

- **Incoming KINDERGARTNERS** only on April 25-30
- **RETURNING** Students Grades 1-12 on May 1
- **NEW to HPSD** Students (*Grades 1-12 & Kindergartners who missed April registration*) on July 29-31 during summer district-wide registration

To ensure a successful registration experience, additional information is forthcoming regarding the specific dates, times, sites, and residency proof documents needed to complete and finalize your 2019-2020 Hattiesburg Public School District registration. For registration questions, contact your child's school.
