

DON'T WAIT. VACCINATE.

**It's the law!
No shots, no school.**

Children must be vaccinated to attend childcare or school.
As of 2016, no new personal belief exemptions may be filed.

Three things to do today:

1

CONTACT YOUR PROVIDER.

All children are eligible for medical coverage, including immunizations. Uninsured? Visit coveredca.com.

2

MAKE AN APPOINTMENT.

Summer is a busy time of year for doctors' offices. Be proactive and call today to make sure your child has their required shots before school starts.

3

GET YOUR CHILD IMMUNIZED.

Protect your child against preventable diseases. Your child must be fully immunized prior to starting school.
