Dear School Family:

We wanted to give you an update. We have been in communication with Dallas County Health and Human Services regarding the presumptive case of COVID-19 with a member of our extended school community. They are currently working to gather information and will call us with further instruction shortly. At this time, they’ve asked us not to comment on the details of this particular case. We will give you all the information we can when directed.

We have, however, voluntarily initiated several precautions:

1) Out of an abundance of caution, we have decided to cancel classes the rest of the week. We will assess the situation as things unfold to decide when to reopen sometime after Spring Break.

2) We are currently working on cleaning the School (and the entire campus) following CDC guidelines. When we know more about this, we will let you know exactly what we do.

So, let’s be calm and let’s be St. Rita to one another! Let’s hold each other in prayer. And wash hands!

We will be in touch later today with more information.

Yours, in Christ,

Fr. Joshua J. Whitfield and Mr. Michael Wixted
