I. Course Descriptions

Advanced Guitar

Course Scope: This one-year course is designed for students who have successfully completed the skills outlined in the Guitar Level II syllabus. This course includes further development of the skills necessary to become independent as a guitarist. This course emphasizes the development of style, articulation, dynamics, rhythmic ability and skills inherent to performance. Students will receive guidance and direction in solving problems related to playing the guitar on an intermediate level and will learn many of the different styles, skills, and techniques required to become a successful guitarist. Areas of concentration include: correct posture, note reading, aural skills, flat picking, singing songs, rhythmic patterns, chord study, finger picking styles, musical forms, improvisation, and performing experiences. A progression of technical proficiency is expected. This course may be repeated.

Course Goals:

1. To develop skills playing in multiple playing positions.
2. To demonstrate the ability to perform advanced rhythms.
3. To perform melodic lines and scales in the keys of E and Eb including relative minor keys.
4. To demonstrate advanced skills using moveable chord forms.
5. To demonstrate advanced right-hand techniques.
6. To recognize and interpret general articulations such as slides, slurs, hammers, pull-offs and trills.
7. To recognize and interpret general articulations such as staccato, legato, accent marks and dynamics.
8. To perform "swing" eighth notes in the tradition jazz swing style.
9. To perform intermediate-level solo guitar literature with two contrapuntal voices.
10. To perform in a variety of ensemble settings.
11. To evaluate career opportunities related to music and guitar.

II. Course Activities

a. In Class Performances – Tests and Quizzes (both writing *and* playing assessments)

b. Practicing at Home

*Practicing regularly is essential for students to succeed in guitar class. It's recommended that students practice about 100 minutes each week. It's also recommended that students practice for about 15-20 minutes per day rather than practicing for 100 minutes one day. This will better aid the students in developing skills concerning their posture, technique, etc. The home practice environment and schedule are very important for middle school students. The environment should be free from distractions and conducive to practicing. Students should practice in a chair that promotes excellent posture and allows them to read their music from a **music stand**. Finally, parents should expect to see and hear their student practice daily. Please assist your students by establishing a daily practice routine. If your student uses the phrase, "I have nothing to practice," it is simply not true. There will always be new material and concepts to practice or master.*

c. Performances and Dress Rehearsals

Concerts

*Concerts are a required part of guitar classes, and a large part of a student's grade. Please put the concert dates on your calendars ASAP. If a student misses a concert for an excused reason they will be given a make-up assignment to be completed for full credit. There is no make-up assignment for an unexcused absence, the performance grade will show a 0. Please inform Mr. Lopez as soon as possible when you know you will have to miss a concert. Participation in a concert is a privilege, not a right. Students are required to have a "C" or better and no "N's" or "U's" in guitar class and **must be able to perform the concert music**. This rule is intended to allow for all the students who have met these requirements to have a concert that they have worked hard for. If a student cannot perform due to his/her grades or performance level, a written music composer report will be required to make up the points. If a student is eligible to perform, it is a required performance.*

Students work extremely hard in preparing for these concerts, so all parents/guardians are encouraged to attend performances that their child is in. It's a wonderful opportunity to show support for your child's talent and hard work as well as the music department here at Leavitt Middle School.

Advanced Guitar Students are required to wear a black tuxedo shirt which will be purchased out of the guitar fee, black pants or slacks, black shoes and black socks. If a student does not wear this at a performance they will not be allowed to perform. They will be issued a red bow tie by the school, which must be returned. No jeans are allowed.

Guitar Trips

Students in Advanced Guitar go on a couple trips throughout the year. When the ensemble goes on trips, they play in front of adjudicators for scores. Students need to practice and be prepared for these performances. That being said, students with a D or F will not be permitted to go on these trips because they are not properly prepared. A student that does not pass the qualification to participate in CCSD District Festival will also not be permitted to go on these trips. Also, any students with discipline referrals can be withheld from going on any trip at the discretion of the director or LMS administration

** Leavitt Middle School will not be responsible for any monies that are non-refundable or are otherwise lost due to the subsequent cancellation of a field trip or school-sponsored trip. Also, Leavitt Middle School will not be responsible for any monies that are non-refundable due to revoked field trip privileges as a result of disciplinary or academic consequences.*

District Festival

Students attending festival will be required to take a playing test in order to perform at the event or any guitar ensemble trip. At festival, our students are adjudicated by outside professionals, and it's imperative that they're properly prepared to perform. If a student cannot earn a C or higher on the playing test, he or she will be required to do a written assignment in place of the performance. If students practice and participate consistently throughout the year, they'll easily succeed at all festivals.

d. Daily Participation: in class playing, journal entries, having instrument and materials

Daily Procedures

- 1. Students must be in their seats with all materials by one minute after the bell has rung.*
 - 2. When a teacher approaches the podium, all playing and talking needs to stop immediately.*
 - 3. All directions are to be followed the first time they are given. Listening is imperative for this to happen.*
 - 4. To keep our instruments and room an appropriate place for our ensemble and instruments, no food, gum, or candy is ever permitted to be in the Guitar room.*
 - 5. Each student needs to have respect for him/herself, his/her peers, teachers, and any equipment in the Guitar room.*
 - 6. Proper conduct is expected of all students at all times under school and district rules.*
- e. *Having a good time!*

III. Evaluation

a. Criteria for Student Grades

Homework 5%

Performances 35%

Participation 30%

Assessment 30%

Performances 35%

All Guitar Students are required to participate in concerts. There are Winter and Spring Concert that all students are perform on and other performances that only Intermediate and or Advanced play on. At the end of the 1st and 3rd Quarter there will be an In-Class Performance that will take the place of the required Winter and Spring Concerts in those grading periods.

Participation 30%

Participation is a tremendous part of any performing arts class. In order to participate, students must have the aforementioned materials in school regularly or points will be deducted from their participation grade. Students also need to follow the classroom procedures appropriately in order to get full participation credit. This includes being in the proper seat and the right time, locking lockers daily, etc. Additionally, students should be playing their instruments. If a student has an instrument, but does not play it, he or she will still lose participation points even though he or she is prepared.

30% Assessment

Playing tests will be given periodically along with written tests occasionally. Content of the tests will include the basic music fundamentals learned in class.

5% Homework

All students are expected to submit completed homework as required by the teacher. Optimal student learning happens only if work is done in a timely fashion. Practice Records will be due every 2 weeks and will count as a homework assignment. If it is not turned in on time a 10% penalty will be assessed each day for the first week.

b. Semester Exams

The semester exams are written exams that will include basic music fundamentals that the students have learned throughout the year. The two quarters will each make up 40% of the semester grade and the exam will be worth the remaining 20%.

c. Explanation of Student Grades

I. Make-up Work

Daily grades can be made up with make-up practice time after school and/or by writing a critique of an article about music. For each absence, students are to practice an extra hour (exception: if student is absent due to school activity.) *Daily Participation points cannot be given if a student was not present to participate. Students should see Mr. Lopez for appropriate make-up work.* If a student misses an assignment, written test or performance, it is his/her responsibility to make arrangements with the teacher to complete the required work within three days of returning, with it being turned in no longer than 1 week later.

e. How and when students will be advised of their grades

- Parents and students are urged to check the Infinite Campus Portal for grades regularly.

VIII. Other Important Information about Guitar Class

PERSONAL CARE & HYGIENE FOR PLAYING GUITAR

Guitars are rather delicate and are made of polished wood. The strings are made of tightly stretched nylon or steel. Our school guitars are used by several students each day, and they must be treated carefully by each student. A few ideas for students include:

- 1) Make sure your hands are clean before playing—no food, dirt, oil, etc.
- 2) Fingernails must be trimmed as neatly as possible, especially the left hand fingernails.
- 3) Do not wear dangling bracelets when playing guitar—be careful of watches or rings that may cause damage to strings or create scratches on the guitar.
- 4) Do not wear a shirt with metal buttons or a zipper on its front that may damage the guitar.
- 5) If you wear a shirt with extra-long or bulky sleeves make sure you roll or push up your sleeves.

INSTRUMENTS

The students at Leavitt MS use SCHOOL INSTRUMENTS in Guitar class. There is no need for any student or parent to buy or rent a guitar. However, I highly encourage all parents to procure a nylon string Classical guitar for their student to practice at home. They can be found starting at around \$100. Since we have a “classroom” set of guitars, no student may check out a guitar to take home. There will be before and after school practice times designated in the Guitar Room where interested students may practice.

CCSD does not purchase left handed guitars. The district does not purchase left handed violins or any orchestra instrument either. If your student is left handed may I encourage them to try to play right-handed. To be a guitarist, you must be ambidextrous. The left hand on a right handed guitar is the fret hand and is the most difficult to learn. Left handed students will have an advantage because of it. However, if you purchase a left handed guitar your student may use it in class.

Acoustic/electric guitars will be played by certain students, at Mr. Lopez discretion.
