We had a wonderful Fall Break with the children. The Fall Carnival was a HUGE success!! The children and parents enjoyed the anti bully information that was available, the different centers that focused on recycling and the varies outdoor activities that were located in the gym.

We have completed the book Holes as a group. Your student should be able to take an AR test on the book. The book is worth 7 AR points. We are also continuing with our project base project THE GAME OF LIFE. The students seem to really enjoy it!

Parents please ask your student to come prepared to KC with whatever home-

work they have for that day or week. Also, if they have instrument please ask them to get their instrument before coming to KC. All students should be in the cafeteria by 3:15. If you child will not be at KC that day, please have them stop by and tell KC staff that they wont be there today.

I am THANKFUL for the students we have and the wonderful parents! We Appreciate everything you do to support Kids Connection at Athens City Middle School.

Our on-line parent surverys for the 21st CCLC program were amazing. We want to say thank you to all our families who took the time to complete the survey. Our goal for this year is to continue to make your child's KC participation a positive experience,

Thank you again for taking the time to complete the survey :)
