of Character

Marlboro Township Public Schools

This Month's Pillar is:

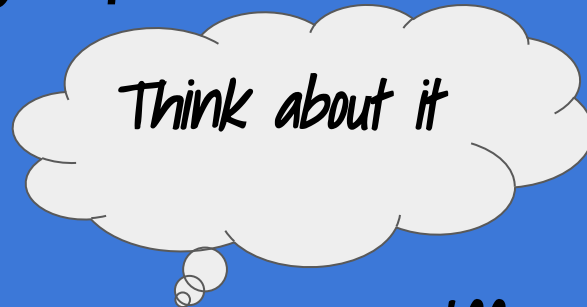

Citizenship

What is Citizenship?

Being a valuable member of and supporting one's community. Being a good citizen means making meaningful contributions through your actions and words.

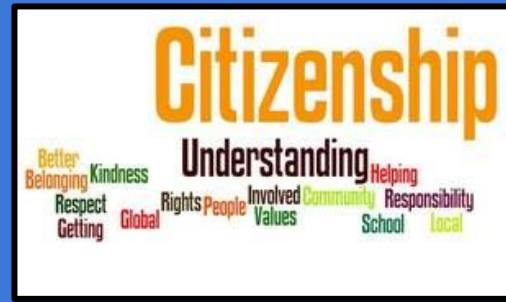

What you do and say can make a huge difference in our school community!

What can you do?

- Respect your peers, teachers and self!
- Be honest and trustworthy
- Follow the rules inside and outside of the classroom
- Get Involved! Join a club or sport.
- Be kind to teachers, parents, and friends.

YOU can make a difference!

"Your character is defined by how you treat those who can do nothing for you."
