Congratulations St. Anthony School Class of 2018

Goodbye From Teachers and Staff

At the end of this school year, we will be saying goodbye to Mrs. Cooper, Mrs. Jones, Mrs. Keefer (for a year), Mrs. Crowley, Ms. Tarabochia, Ms. Judge and Mrs. Walter. We thank them from all their time here at St. Anthony School and their dedication to our students. Several of them have submitted what they'll be doing after this school year.

Mrs. Cooper

My two-year tenure here at Saint Anthony's has been great fun. I started my career 27 years ago opening and designing a kindergarten program for children with moderate, severe and profound handicapping conditions. The time in between I've taught all grade levels and all exceptionalities. To close out my career, it has been fun to design and open the Pre-K program here at Saint Anthony School, keeping early readiness requirements for reading and math foremost in mind within a context of our Catholic Faith.

My time will be spent in training classes for our new bichon puppy, working in my indoor and outdoor gardens, spending much more time with my guitar and ukulele, and spending lots of volunteer time at my new school.

Be blessed always, Diane Cooper

Mrs. Jones:

Mrs. Jones will be taking care of her granddaughter and traveling!

Mrs. Keefer

I am sure that you all know by now that I am expecting my 2nd baby boy a few days after school gets out! This summer will be full of change as my husband and I transition to a family of 4. With having no family close by, I have decided to take a year of leave next school year to

stay home with my new baby. I will miss all of you but will still be around to visit! I will be returning for the 2019-2020 school year.
Blessings, Mrs. Keefer

Mrs. Crowley

I am so thankful to have had this last year with you all. This is an amazing community and I appreciate all of you!

I'm sorry to have only had one year to teach here, but due to family obligations, I have to retire. I hope to garden more, work on a quilt I've been meaning to finish forever and give back to St. Anthony parish!

God bless :) and thank you for sharing your wonderful children with me, they are amazing!! - Mrs. Crowley

Ms. Tarabochia

I will be continuing my teaching career at St. Philomena in Des Moines. In addition to being a graduate of St. Philomena, both of my children graduated from St. Philomena as well. It is my home parish and a place I consider "home." I will be forever grateful to the students of St. Anthony for reigniting my love of teaching and I will miss the community here at St. Anthony.

Mrs. Walter:

I am going to go back to my first chosen career as a Licensed Massage Therapist and enjoy the peace and tranquility it provides.

From Our School Counselor

Dear 8th-Grade Parents,

Congratulations to you and your graduate! Thank you for all your hard work and for the love and support that you have provided to our students.

After the summer, your teenager will be facing a new chapter in their life - high school. One of the struggles that parents encounter during this time is how to stay connected with their teens while providing the independence that they want (and actually need!). In view of this, I would like to share with you this innovative resource - [ParenTeen Connect](#). ParenTeen Connect will provide you the tools that might be the answer on how to "make adolescence less of a struggle and a lot more fun".

Adolescence is a wonderful journey. It might help to remember that it presents a great opportunity for us, parents, to also grow with our children.

All the best,

Open Position for 2018-2019 School Year

Do you like party planning and working with an awesome team? Come join the PTC Steering Group! We are searching for a HOSPITALITY REPRESENTATIVE.

This position functions as a liaison for planning teams, coordinating some of our most fun events, such as Tailgate, Oktoberfest and the Teacher and Staff Appreciation Luncheons. The majority of the tasks assigned can be performed from home via phone/email.

The PTC Steering Group oversees community-building activities at St. Anthony School and works closely with the school leadership on important development projects. The group meets in person once a month in the Teacher's Lounge.

Participation in this team is a fun way to earn volunteer hours and make a difference at our school. If you enjoy party planning and community building, we need you and your talents! Contact Erika Gutierrez at ptcsaintanthonysschool@gmail.com for additional information.

Oktoberfest 2018

The Oktoberfest Planning committee has already begun planning the 2018 event! Our team is ready, willing and experienced, but we could still use 2 or 3 new planning members. New members will shadow the current members, learn key tasks, and fulfill minor leadership roles. Help is needed in permitting, marketing, recruiting volunteers, food ordering and preparations, event set-up, game development and organization, and event clean-up. You can help as much as your time and schedule permits; as few as 8 hours, as many as 80 hours. Many tasks can be completed at home and you could meet your PTC volunteer commitment before the 2018-19 school year even starts! Email Inquiries to: Roger Rammer at rjrammer@comcast.net, Beth Asher at asherforrenton@gmail.com, or Jamey Starkey at j_chown@hotmail.com.

PTC Contact Information
