FULL DAY CARE PROGRAMS

Full day programs are offered during school breaks, pending space availability. Separate registration and payment is required for all children for each full day care program. Registration forms will be available one month in advance, and centers will be combined for these programs. Enrollment is limited and is offered pending adequate enrollment for each full day program.

To register your child for a full day care program, complete the appropriate registration form and return it with payment in full to the PV Kids' Corner business office no later than the specified deadline. Children must be pre-registered to attend a full day care program. All full day care fees are non-refundable and non-transferable once a child is registered. No refunds, credits or adjustments will be given in case of absence or cancellation. If PV Kids' Corner cancels any full day program due to low enrollment, all monies paid will be refunded in full.

Enrollment for full day care programs covers the entire time from 6:30 a.m. to 6:30 p.m. No refunds, credits or adjustments will be given for attending less than the full day. Children must bring a ready-to-eat sack lunch and a beverage on full day care days. If a child does not have a lunch, the parent will be contacted to provide one.
