

St. George School

Dear SGS Families,

The School Board has approved an important fundraiser to raise money for the upkeep and maintenance of our iPads and Chromebooks for all of our students' use. This fundraiser will also help as we establish a Robotics course through STREAM education. The use of technology in the classroom empowers our teachers to motivate and manage independent learning through the use of Accelerated Math & Reading, MobyMAX, and STAR testing. Our school is a hybrid school introducing both formats, iOS and Chrome, to better prepare our students for high school.

The School Board will be selling delicious World's Finest Chocolates, \$1.00 variety packs of delicious chocolate bars. Parents can help us raise funds for this important reading program for our students by selling chocolate at work, church, club meetings, or by selling it to family, friends and neighbors. There are 60 candy bars in each box. Parents who need PIP credits will receive one (1) credit for every 20 Candy Bars sold. 3 PIP credits per box. This is a one-time program and there is no requirement to participate but, the sales will benefit all of our students.

****We need your help to raise \$4,500!****

We, the School Board, hope that you will take part in this important fundraising event! Please contact Wendy Garcia, School Board member, at (909) 240-5911 if you have any questions regarding this fundraiser.

With Much Appreciation,
St. George School Board

PLEASE SIGN AND RETURN TO SCHOOL

_____ has my permission to sell World's Finest Chocolate. I understand that I am financially responsible for returning the sale money to school. I realize that unsold chocolate bars will be my responsibility and may not be returned. My child will be supervised by an adult while selling the chocolate. All money (\$60) must be turned in for each case before additional cases will be issued.
