## School Accountability Report Card

### Reported Using Data from the 2017-18 School Year

#### Published During 2018-19

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## School Description and Mission Statement (School Year 2018-19)

### Description

B. Roberto Cruz Leadership Academy (BRCLA), often referred to as RCLA, is a small, personalized, college-prep charter high school that serves an urban, residential, low-income community in East San Jose, CA. It is managed by The Foundation for Hispanic Education and chartered by the East Side Union High School District. RCLA opened its doors for its inaugural school year on August 3rd, 2015, following a three-week Summer Bridge transition program for incoming 9th graders. The Summer Bridge program culminated with a grand ribbon cutting ceremony which was attended by BRCLA students and their families, community and educational leaders and the school's namesake's wife, Mrs. Roberto Cruz, is a community leader and founder of the National Hispanic University. RCLA currently serves about 262 9-12th graders in its 4th inaugural year. BRCLA will add about 100 students each year until it reaches approximately 400 students in grades 9 through 12.

### Population and Demographic Data

The schools' student enrollment is predominately Latino (97.9%) and 91.5% are or have been English Language Learners. RCLA serves a large, working-class immigrant community of Mexican-Americans, where 85.3% of our students are on free or reduced lunch. In addition, 75% of our students come from single-parent families whereby 23% of them are expected to provide childcare for their siblings. In terms of parent educational experience, 2% have attained a 5th-grade education, 8% received an 8th-grade education and 22% attended high school thru 12th grade. Its founding faculty serves as role models for the school's 1st generation college-going population.

### Mission and Vision

The Mission of the B. Roberto Cruz Leadership Academy (RCLA) is to empower students to become community leaders and socially conscious educators. RCLA aims to educate students through college preparatory courses that empower them to be academically literate, critical thinkers, effective communicators and independent problem solvers who are agents of education and social justice with a commitment toward the community around them.,

RCLA's location is uniquely situated to address a need in one of the most at-risk areas of the state that serves a disproportionate number of working, poor families. RCLA's innovative strategies for delivering standards-based curriculum and teaching strategies ensure equitable opportunities for all of the students served and provides the greatest chance of success for the students in RCLA's community.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

\* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

Year and month in which data were collected: 08/2018

RCLA is in its second year. The textbooks and instructional materials listed below reflect selections for the 9th & 10th grade courses. RCLA will add to this list on an annual basis as new grade levels are added to the school. All textbooks and instructional materials are Common Core aligned. Teachers and other instructional staff undergo training as provided by publishers in the implementation of the different textbook programs. Textbooks and instructional materials are chosen both from the State Board of Education adoption list and through internal processes.

### School Facility Conditions and Planned Improvements (Most Recent Year)

RCLA is situated at 14281 Story Road in San Jose, in a new, state of the art, 2-story educational space containing 14 classrooms and 5 offices. The lease also includes an athletic field, auditorium, common areas, nutrition space and parking.

Daily janitorial service is provided by on-site staff during the day and a 3rd party for evening and weekend service. Maintenance of major systems, such as fire protection, emergency generator, landscaping, and HVAC, are provided by qualified vendors on a regular basis. Recent improvements include upgrades to our internet infrastructure, classroom cabling, flooring, new auditorium lighting, and painting. We are also in the process of submitting our first Prop 39 Energy Expenditure plan for approval so we can begin a series of improvements to the building.

**School Facility Good Repair Status (Most Recent Year)**

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

#### CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
<b>English Language Arts/Literacy (grades 3-8 and 11)</b>		16.0		59.0		50.0
<b>Mathematics (grades 3-8 and 11)</b>		9.0		38.0		38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

#### CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2017-18)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
<b>All Students</b>	71	64	90.14	15.63
<b>Male</b>	34	32	94.12	12.50
<b>Female</b>	37	32	86.49	18.75
<b>Hispanic or Latino</b>	70	63	90.00	15.87
<b>Socioeconomically Disadvantaged</b>	56	50	89.29	18.00
<b>English Learners</b>	39	34	87.18	5.88
<b>Students with Disabilities</b>	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group  
Grades Three through Eight and Grade Eleven (School Year 2017-18)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	71	64	90.14	9.38
Male	34	32	94.12	6.25
Female	37	32	86.49	12.5
Hispanic or Latino	70	63	90	9.52
Socioeconomically Disadvantaged	56	50	89.29	10
English Learners	39	34	87.18	0
Students with Disabilities	--	--	--	--

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Science for All Students  
Grades Five, Eight, and Ten**

Subject	Percentage of Students Meeting or Exceeding the State Standard					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
Science (grades 5, 8, and 10)	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

**Career Technical Education Programs (School Year 2017-18)**

**Career Technical Education Participation (School Year 2017-18)**

Measure	CTE Program Participation

## State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

### California Physical Fitness Test Results (School Year 2017-18)

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
9	5.6	7.4	5.6

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

### Opportunities for Parental Involvement (School Year 2018-19)

Poder de Los Padres is the RCLA (Roberto Cruz Leadership Academy) is a Parent Workshop monthly series, facilitated in Spanish, that is implemented in a four-year plan. It promotes parent engagement and involvement at the school site. The program series is offered monthly to inform parents how to navigate the school and to empower them to support the academic success of their students. Poder de Los Padres parents also support school events and academic milestones for students by coordinating and organizing parents to participate.

Parents are also involved in the shared governance of the school site through active participation in RCLA's School Site Council and RCLA's English Learner Advisory Committee. These school committees provide parent group recommendations toward the alignment of the school's instructional programs and federal funding. The school ELAC representatives also participate in the Foundation's (DLAC) committee in representation of RCLA.

An RCLA Parent Leadership Committee assists the Principal in designing and implementing events that promote a positive school culture. Parents developed a timeline of activities such as academic recognition, college and career field trips, Jaguar Pride community events for implementation in the summer, breaks and within the school year.

### State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

### Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School			District			State		
	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17
Dropout Rate				11.7	10.0	20.5	10.7	9.7	9.1
Graduation Rate				83.0	85.0	71.5	82.3	83.8	82.7

For the formula to calculate the 2016–17 adjusted cohort graduation rate, see the 2017–18 Data Element Definitions document located on the SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.

## State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### Suspensions and Expulsions

Rate	School			District			State		
	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18
<b>Suspensions</b>	3.9	4.2	0.0	3.8	4.0	3.7	3.7	3.7	3.5
<b>Expulsions</b>	0.0	0.0	0.0	0.1	0.1	0.1	0.1	0.1	0.1

### School Safety Plan (School Year 2018-19)

RCLA shares the campus with another charter high school, Latino College Prep Academy. As such, RCLA shares a detailed, comprehensive Safety Plan with LCPA, its sister school, that outlines protocol to be used, systems that must be in place, and procedures that must be followed in the event of an emergency. The school safety plan covers an array of different things such as child abuse reporting procedures, policies pursuant to Education Code 48915(c) and other school-designated serious acts which would lead to suspension, expulsion, or mandatory expulsion recommendations, procedures to notify teachers and counselors of dangerous students, sexual harassment policy, safe ingress and egress to and from school, rules and procedures on school discipline in order to create a safe and orderly environment conducive to learning, dress code, routine and emergency disaster procedures including natural disasters, human-created disasters or power outages. Routine and emergency disaster procedures include but are not limited to: emergency and disaster preparedness plan, fire drills, bomb threats, earthquake emergency procedure system, and safe transportation during emergencies. RCLA has also set yearly safety goals that have been determined by the students, staff, and parents.

RCLA implements a restorative justice approach to promoting a positive school culture and climate. The RCLA School Culture team provides wrap-around services to students and includes staff, student and parent voice in building a positive school climate and environment. The RCLA team continues to develop and implement Restorative Justice practice within the school's safety and school culture plans.

### Average Class Size and Class Size Distribution (Secondary)

Subject	2015-16				2016-17				2017-18			
	Avg. Class Size	Number of Classrooms			Avg. Class Size	Number of Classrooms			Avg. Class Size	Number of Classrooms		
		1-22	23-32	33+		1-22	23-32	33+		1-22	23-32	33+
<b>English</b>	16.0	4	1		21.0	7	6		23.0	7	10	
<b>Mathematics</b>	16.0	5			19.0	7	3		21.0	7	4	
<b>Science</b>					19.0	7	3		24.0	2	4	
<b>Social Science</b>	18.0	6	2		19.0	8	2		25.0	1	8	

Note: Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

**Academic Counselors and Other Support Staff (School Year 2017-18)**

Title	Number of FTE Assigned to School	Average Number of Students per Academic Counselor
Academic Counselor	1.0	250
Counselor (Social/Behavioral or Career Development)	1.0	N/A
Library Media Teacher (Librarian)	0	N/A

**Professional Development (Most Recent Three Years)**

The focus of the school's Professional Development was selected due to student achievement data results in Math and English. The school has focused on Literacy across the content areas based on the student performance data and student population demographics. Student and the community were surveyed and Priority Areas, TEN Priority Profile, for the classroom were identified that guide instructional practice. Inclusively, RCLA teachers implement the Growth Mindset and Gradual Release of Responsibility in lesson design.

Professional development is delivered five days prior to the beginning of school as a Foundation professional development work week, for all its charter schools. The focus is on the use of data to inform classroom instruction. Additionally, five full days of professional development are provided for RCLA teachers during the school year to participate in further Foundation implemented Professional Development. RCLA teachers have 3 hours weekly to collaborate as a school in professional learning teams focused on the assessment review of student work given student performance outcomes. Additional professional development is provided to the RCLA team after school hours in Growth Mindset and Gradual Release of Responsibility throughout the year, as well as in the summer as an introduction professional development for new teacher hires at RCLA.

The implementation of professional development is supported by and for teachers through peer to peer instructional coaching, the use of student performance data as a review in teams, and in department focused working sessions.
