

*It's almost time...*

*Can you hear the band and see yourself in the pub? Of course you can!*

*And of course you can spare a few hours to help with transporting and/or setting up the items for the Gala.*

*We cannot do it alone.*

*Thank you to those who have donated such fabulous items and money.*

*Thank you also to those who are attending. Your support means so much! We look forward to sharing a great time with you!*
