

Important

Pick-Up/ Drop-Off Reminders

1. When you pull into our Traffic Circle, always obey the **5mph** rule.
2. There is NO parent/ visitor parking in our staff parking lot. If you must park your vehicle, please park along the street in designated areas only. Do not park in our loading zones (along the white curbs). Do not park in red zones.
3. When in our Traffic Circle, pull forward as far as possible and wait until the teacher/volunteer clears you to drop off/ pick up your child. During pick-up, if you find yourself at the front of the line and your child is not visible, you must pull out of the lot and circle around by carefully turning left onto Carson Lane.
4. There is only ONE entrance to the lot. Please do not enter through the exit. Do not exit through the entrance. Do carpool whenever possible; this helps to alleviate congestion.
5. Be sure that your children exit your vehicle on the passenger side, nearest to the curb. This ensures that children are not walking between/ behind cars.
6. The teacher/volunteer stationed in the Pick-Up/ Drop-Off area will help your child exit/ enter your vehicle. Parents should not get out of the car to assist (please do not pack items in the trunk; this significantly slows down the process).
7. Do not motion for your child to run through traffic/ cross the street to your parked car. Hold onto your young child's hand when walking across the crosswalks.
8. Please be respectful of the teachers/ volunteers who serve as yard duty supervisors in the lot. Accidents happen. It is our collective responsibility to ensure everyone's safety, including your child's. No compromise is worth the potential risks involved.

**Please discuss these rules with your children and anyone
who drops them off or picks them up.**
