

May 2018

Dear Parents/Guardians,

Your son or daughter has enrolled in an Advanced Academics English/Language Arts class for the 2018-2019 school year. Pre-AP/AP and Pre-IB/IB courses are designed to develop the reading, writing, and thinking skills necessary for success in these courses as well as on the Advanced Placement and International Baccalaureate examinations. High school students who perform well on AP and IB exams may be eligible to receive college credits in addition to their high school credits.

Pre-AP/AP and Pre-IB/IB courses involve greater content immersion and faster-paced activities than other academic classes; this immersion begins with a summer reading assignment. There are numerous advantages to summer reading, including maintaining reading skills, developing vocabulary, promoting independent learning, and fostering a lifelong love of reading. Students will be expected to participate in classroom activities based on their summer reading upon returning to school in August.

Please refer to the "Bryan ISD 2018 Summer Reading for Advanced Academic Programs" on the back of this letter for a list of reading selections. An electronic copy can also be found at <https://tinyurl.com/y9wc8jpg>.

We look forward to working with you and your student, and we hope that the 2018-19 school year will be both challenging and rewarding. If you have questions or concerns regarding summer reading, please contact Brandi Morley at brandi.morley@bryanisd.org or at 979-209-1038. Thank you in advance for your support.

Sincerely,

The Bryan ISD English/Language Arts Team

Estimados Padres/Tutores:

Su hijo se ha inscrito en una clase Académica Avanzada de Inglés/Artes del Lenguaje para el ciclo escolar 2018-2019. Los cursos Pre-AP/AP y Pre-IB/IB están diseñados para desarrollar las habilidades de lectura, escritura y razonamiento necesarias para el éxito en estos cursos, así como en los exámenes de Colocación Avanzada y Bachillerato Internacional. Los estudiantes de secundaria que se desempeñan bien en los exámenes de AP & IB pueden ser elegibles para recibir créditos universitarios además de sus créditos de preparatoria.

Los cursos Pre-AP/AP y Pre-IB/IB comprenden mayor inmersión en el contenido y actividades de ritmo más rápido que otras clases académicas; esta inmersión comienza con una asignación de lectura de verano. Existen numerosas ventajas para la lectura de verano, incluyendo el mantenimiento de las habilidades de lectura, el desarrollo del vocabulario, el avance al aprendizaje independiente y el fomento de un gusto por la lectura que durará toda la vida. Se espera que los estudiantes participen en las actividades del salón de clase basadas en su lectura de verano al regresar a clases en agosto.

Consulte la "Lectura de Verano 2018 del Distrito de Bryan" para obtener una lista de lecturas. También puede encontrar una copia de esta carta, selección de lecturas y enlaces a las asignaciones en <https://tinyurl.com/y9wc8jpg>.

Esperamos trabajar con usted y con su hijo, y esperamos que el año escolar 2018-19 sea un desafío y una recompensa para ellos. Si tiene preguntas o inquietudes con respecto a la lectura de verano, comuníquese con Brandi Morley a brandi.morley@bryanisd.org o al 979-209-1038. Gracias de antemano por su apoyo.

Sinceramente,

Equipo de Inglés/Artes del Lenguaje del Distrito de Bryan
