

PART II – ACT 126 TRAINING MANDATED REQUIREMENTS
EDUCATOR DISCIPLINE ACT

This additional training is required for all School District Employees, Substitutes, Coaches, Student Teachers, Board Approved Volunteers and Independent Contractors

The Professional Standards and Practices Commission (“PSPC”) has worked with PLS 3rd Learning to develop an online training that will satisfy, in part, the mandatory training requirements set forth in Act 126. The three-hour online course entitled, “*Professional Ethics and the Educator Discipline Act*” is available on the Department of Education’s SAS Portal. **There is no charge for the course.** Participants who do not have a SAS account must first register for one by visiting <http://pdesas.org/>. To register for the course, participants must log into the SAS PD center <http://pdc.pdesas.org/> and then click on “Course Catalog/Registration” under the menu button in the upper right hand corner of the screen. The course is listed under the “Non-Facilitated” tab. When registering for the course, participants will choose a track specific to their role (*i.e.* teacher, chief school administrator or staff member, which would be any other person since there are only 3 options to choose from).

All participants will receive a certificate of completion. Educators holding Pennsylvania certification will receive Act 48 credit.
