Good Afternoon WMSE Students and Parents:

Welcome back to school for the 2019-2020 school year. We are so excited to start this new year. We’re looking forward to seeing you tomorrow. We’ve been working hard preparing for you to return. Our teachers and staff are ready to have a great school year. As we start this new year, there are many good things taking place. One of those is a new daily schedule. Our school hours for this year are 8:20-3:20. Home room will be from 8:20-8:30 and first period will start at 8:30. The doors will open at 7:30 and students will go either to the cafeteria for breakfast or to the gym for student supervision until 8:15. Our teachers will be collaborating from 7:30-8:15 to prepare for learning. Students will be released from the gym or cafeteria at 8:15 for home room.

We are ready to partner with you to make this school year a successful one for all our students. Thank you, parents, for the trust you place in us to educate your children. We don’t take that lightly. We value that trust and intend to strengthen it and make great strides in growth as a result. Students, make a commitment now that this is going to be the best year yet. Make sure you get a good night’s rest and eat a good breakfast in the morning. Let’s start the year off on a strong note and go strong all 179 days of the school year. Together, we are ready and we will succeed. Let’s do this! See you in the morning.

Sincerely,  
*Michael Blankenship*
