DOUBLE YOUR MONEY!
with Corporate Matching

Meadows PTA spends approximately \$500 per student each year on items such as technology, Science Lab, library books, teacher development, Makerspace and classroom supplies. PTA also funds programs such as Cultural Arts and Young at Art, and special events such as Family Movie Night and Science Night.

Our membership drive is the first critical fundraising step to ensure we have the budget to cover all of these wonderful things that fuel our children's quality education.

Our goal is a Gold Donor contribution of \$365 per family but every donation is important. Please give the amount that is right for your family. Please note that \$15 has been added at each medal level to cover the membership dues required by the National/State/District PTA. **Our ultimate goal is 100% PTA participation!**
