## 2019 Summer School

Life School has high standards for academic achievement and citizenship and works year-round to provide all students with opportunities for success. Through its' summer school program, the district offers elementary and secondary students a variety of educational opportunities designed to support our students' individual academic needs.

**Summer School Programs**  
Life Schools summer school programs includes courses developed for academic intervention, credit recovery, educational enrichment activities and high school level course acceleration. Some programs have specific qualification criteria and require an invitation to participate. For questions about which summer school opportunities may be appropriate for your student, please contact your student's teacher or administrator depending on their grade level.

**Bilingual/ESL Summer School**

Please open the file below for Summer School details and applications

2019 Summer School Schedule
