

## ADVISORY/STUDY SKILLS CURRICULUM MATERIAL

At this time, we do not have an advisory period built into the school day. We are proposing to start a Learning Lab class next year, with our 2021 Cohort.

We do offer our students:

- Learning Frameworks class
- TSI Prep class
- Availability of Math Coach at WOSHS
- Upswing (online tutoring support program through LSCO)
- Campus visits to LSCO
  - Face to Face access through the Learning Center
  - Student Success Seminars with LSCO instructors
