

ANOUNCING PTSA NOBEL NestQuest

Dear Nobel Charter Middle School Parents

As many of you are aware the Nobel Nest is the Nobel Charter Middle School's chief fundraiser for the year. Historically speaking over the last 5 years the Nest has an average pledge level totaling around \$25,000 from approximately 150 parents. With a student body over 2400 at Nobel, this works out to an average of around \$10 per student.

Sadly, for our school this participation pales in comparison with the various elementary schools that send Nobel such well prepared students that keep Nobel Charter Middle School # 1 in achievement. For example Beckford Elementary raised over NINTY THOUSAND dollars with a student population of only 620, or about \$145.00 per student OVER 14 TIMES THE TOTAL AT NOBEL.

That's why this year we are launching a new campaign for the Nobel Nest, called **NestQuest**. Simply stated, NestQuest is a level of participation that asks each parent at Nobel to make 5 monthly donations of \$20 each for a total of \$100. This works out to only about 55 cents per student per classroom day!!

So you may be wondering what will 55 cents fund at Nobel to benefit our kid's education? If every parent participates in the NestQuest, the PTSA will be able to fund a full time librarian and nurse for the school. Every parents contribution is important. What ever the final total for the NestQuest is, that amount will free up money currently being spent now for other badly needed resources that will continue to help keep Nobel #1 in academic achievement.

So Parents, please make your pledge now, by submitting the form below. You will individually be contacted shortly to obtain your payment preference. We hope to have the process automated soon with a new option on the Nobel Nest page in the Parents/PTSA section of the Nobel Charter Middle School Homepage

Thanks again to all the parents that help make Nobel Number One Cant Hide that Nobel Charter Pride!
