

# How Students Can Download Office 2016 or Office 365

Download Office 2016

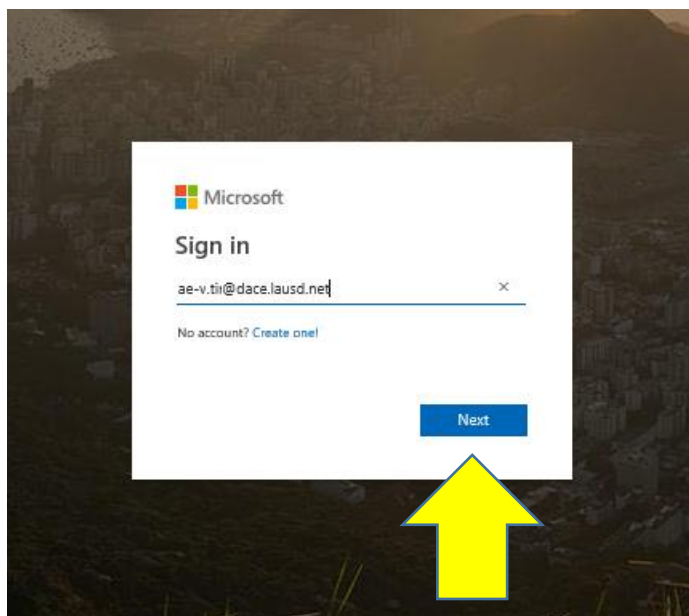

Go to [www.office.com](https://www.office.com)

Click on “Sign in”

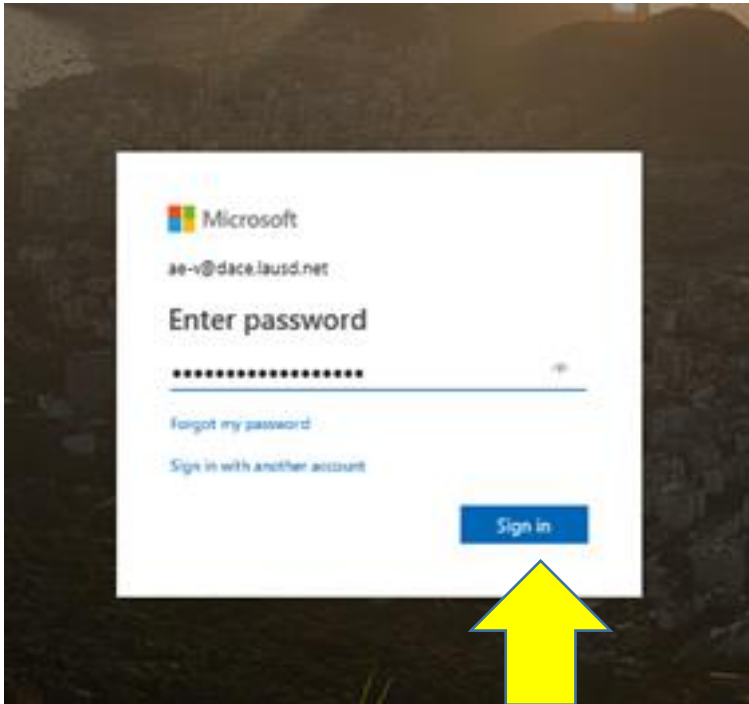

What is Office 365?

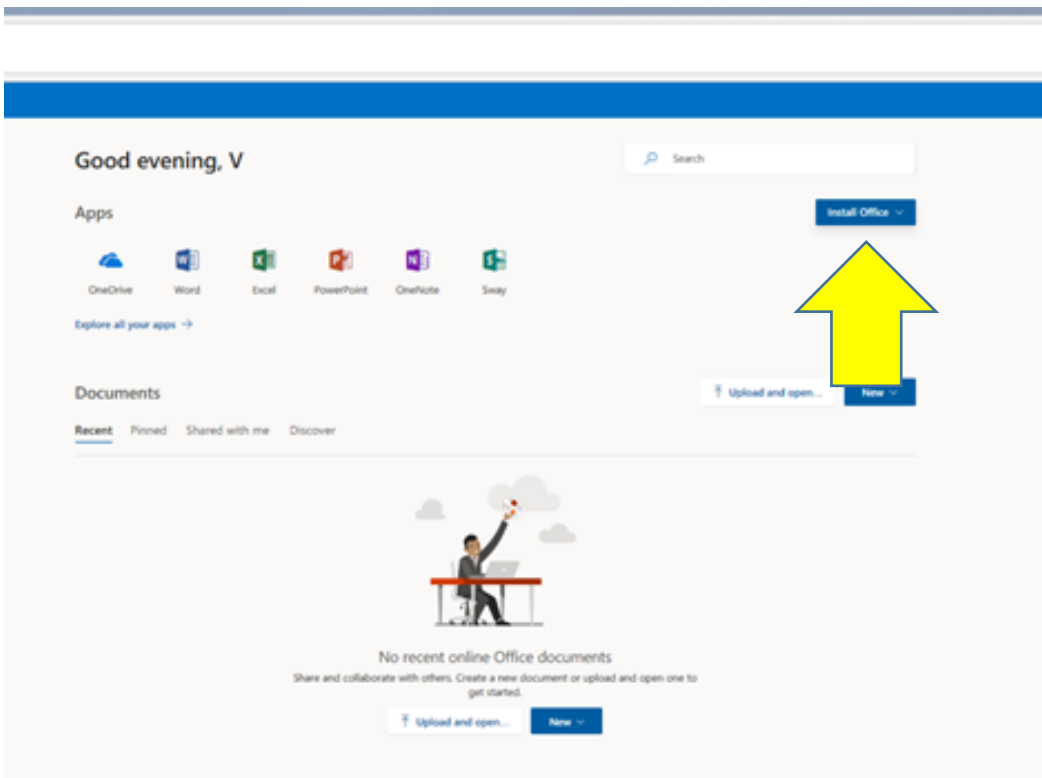

Type the complete student email ([ae-\\*\\*\\*\\*\\*@dace.lausd.net](mailto:ae-*****@dace.lausd.net)) and click on “Next”

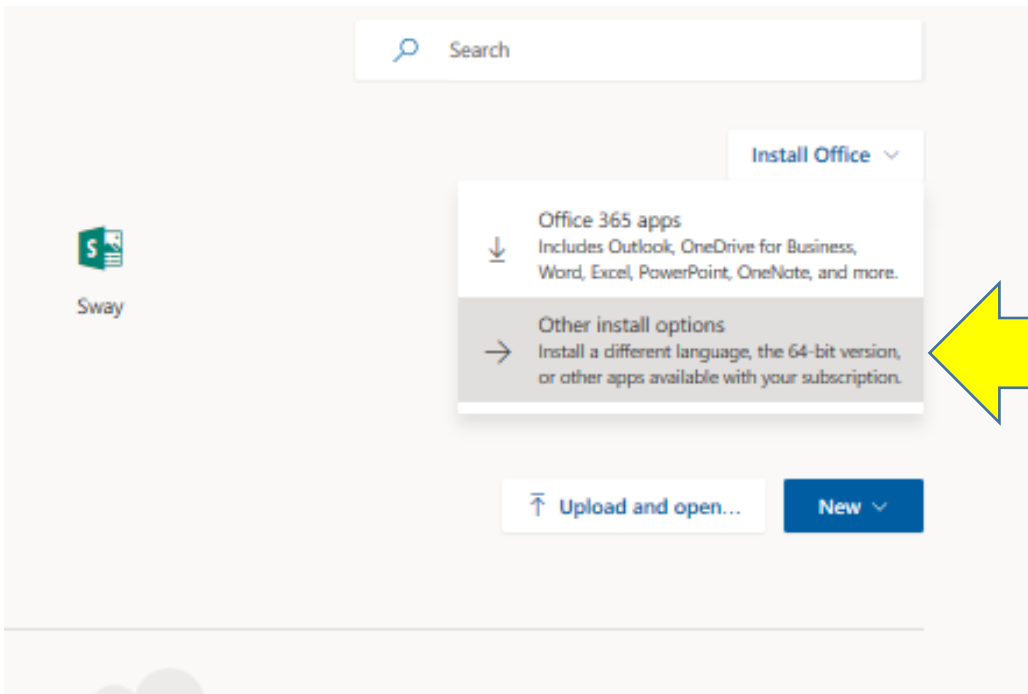

Type in student password and click “Sign in”

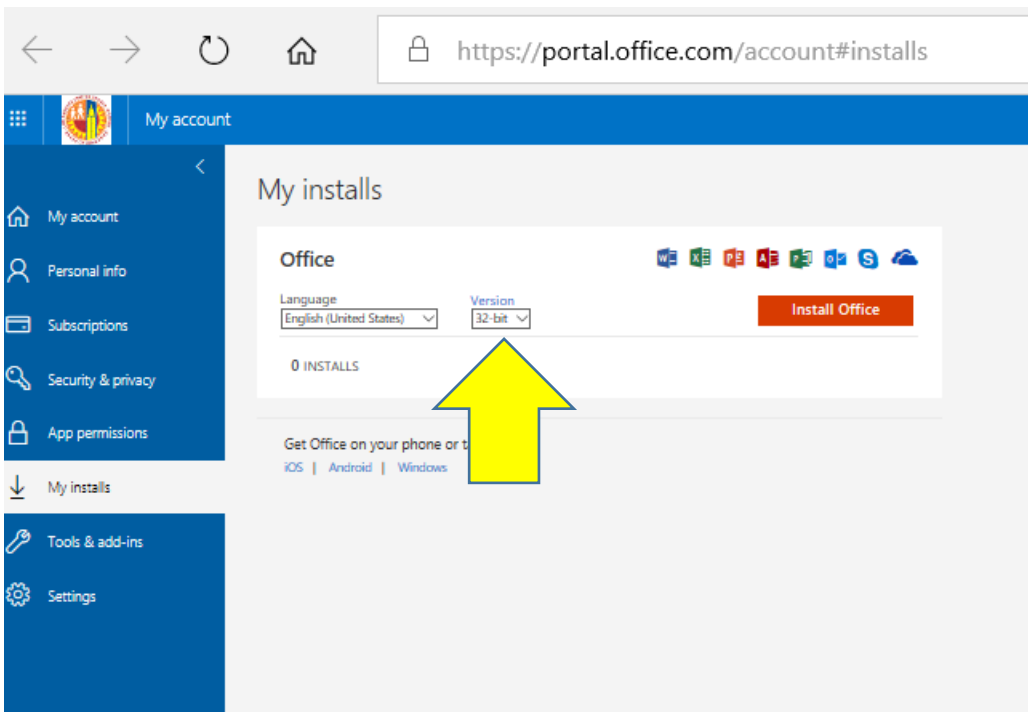

Click on “Install Office”

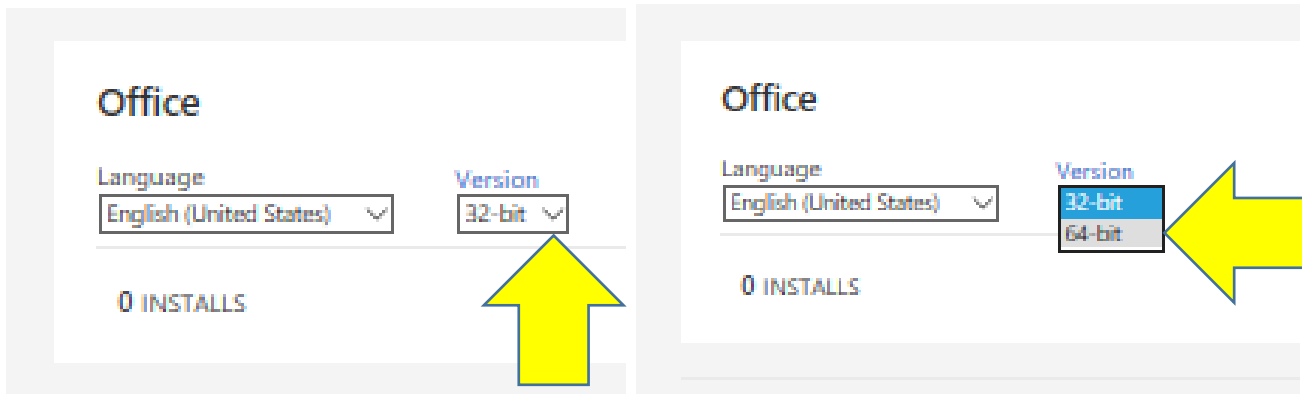

Click on “Other install options”

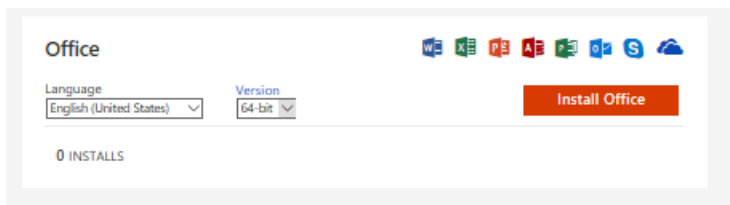

Check the version of Windows that you have (32-bit or 64-bit).  
If you're not sure, search “windows version” on your computer.

If you have the 64-bit version click on the down arrow to get the 64-bit option.

Click on “Install Office”

Follow the download directions.

*Download Office 365*

Follow the directions above for signing in to [www.office.com](http://www.office.com)

Click on “Install Office”
