Athletic Participation Information

1. Prior to being eligible to practice, each student must have a passed physical examination on file (renewable every two years), followed by a yearly interim questionnaire filled out by the parent/guardian.

2. All students are expected to conform to the rules of scholastic eligibility, participation, and training as prescribed by the Idaho High School Activities Association, the Nampa School District and the athletic coaching staff. This information will be reviewed at parent/guardian preseason meetings.

3. Code of Conduct:

   It is the policy of the Athletic Department of the Nampa School District to prevent and prohibit the possession, use, sale, distribution and/or intent to distribute any illegal or controlled mood-altering chemical, medication, vaping paraphernalia or materials, look-alike drugs or abuse of a chemical by any student involved in any activity sponsored by the Nampa School District.

   Consequently, should any member of the school's administration, faculty, or coaching staff witness or have evidence of a student's use or being in possession of, or being under the influence of any of the previously mentioned substances that student will be dealt with according to the following procedure:

   (A) On the occasion of a first infraction during a scholastic year, the athletic director and head coach will have a meeting with the student and his/her parents. The incident will be reviewed and if the evidence supports the accusation, the student will be suspended from all competitive events (excluding practices) for a period of 21 calendar days from the time the student has been notified of his/her infraction. Seven days of the suspension shall be waived when the student has completed a Drug and Alcohol Assessment and has taken a course on drug and alcohol abuse arranged by school counselors or parents. If the course is unavailable, other arrangements will be made. Suspension will be understood to allow the student to practice with his/her team at its scheduled events during the time of the suspension.

   (B) On the occasion of the second infraction by a student during as scholastic year, that student will be dismissed from all participation in the school's sports programs for the remainder of that school year. The student will be advised of his/her right to appeal. It is to be understood that the initial infraction in a scholastic year automatically carries over into each sport's season of that scholastic year. Thus, an initial violation occurred at that time.

   (C) Should a student decide to submit an appeal, a panel composed of the principal, athletic director, and head coach will convene upon the principal's receipt of a written request from the student and parent/guardian. This request for a hearing/review should clearly state the reasons why the hearing is being requested. The decision of the review panel after closed discussion shall be final.

   (D) As in the case with all students who attend the Nampa school District, students who are found to be in violation of the above policies as they relate to the use/possession of alcohol, tobacco, and drugs will be held accountable to the school authorities for their actions and will be subject to the same sanctions imposed on all members of the student body for such violation.

4. Hazing

   Abusive or humiliating tricks or ridicule constitutes hazing. On the occasion of a first infraction during the scholastic year, the coach will handle the infraction with on-court/on-field discipline.

   On the occasion of a second infraction, the coach will report the incident to the Athletic Director and Principal. The student will receive two days of in-school suspension and seven days of competition suspension (not practices). On the occasion of a third infraction, the student will receive five days of in-school suspension and be removed from the team.

Rules Addendums and Definitions

a. Suspension from school means the student cannot practice nor play in games while under suspension. This also includes in-school suspension.

b. Missed practice is UNEXCUSED when a coach is not notified prior to practice the student will be absent. Penalty is at the coach's discretion.

c. Tardiness - Penalty is at the coach's discretion.

d. Misconduct- Any behavior which does not represent the school or the Nampa School District in a positive manner. Misconduct will be addressed by each coach during their preseason meetings. Any misconduct will result in discipline up to and including dismissal from the team.

e. Students will be considered ineligible until all uniforms and equipment are turned in for a prior sports activity, or fines for replacement value have been paid.

I have carefully read, understand, and will comply with all of the above information as outlined in this Program/Activity Participation and Release Form and Athletic Participation Section and hereby agree to indemnify and hold harmless the Nampa School District from any and all liability that may arise from my child's participation in any program or activity which is the subject matter of this Program/Activity Participation and Release Form and Athletic Participation Section.
