PYLUUSD Middle School Student Code of Conduct

A goal of the Placentia-Yorba Linda Unified School District is to assist each student to become productive and an effective citizen in our democratic society. We are confident that the vast majority of students will work toward this goal by respecting the rights of others, respecting personal and school property, and by practicing acceptable patterns of behavior and courtesy.

The purpose of the Code of Conduct is to ensure a safe and orderly educational climate conducive to learning. Students are expected to demonstrate responsible behavior that does not interfere with the safety, well-being, or educational opportunities for themselves or others.

In an effort to encourage the appropriate behavior of students, we have established a positive support program (PBIS); however, disciplinary action will result when students fail to meet the established behavioral expectations. A student may be disciplined for acts that are related to school activities which occur at any time including, but not limited to, any of the following:

- While on the grounds of any PYLUUSD campus
- While going to or coming from home to school
- Off campus during school hours
- During, or while going to or coming from, a school sponsored activity

WELCOME!

The staff of Tuffree Middle School welcomes you to a new school year. We look forward to working with you to support your academic success. We encourage you to have pride in your school and to be satisfied with only your personal best. Because we have high expectations for our students, we set high standards. The purpose of this Student Handbook is to provide you and your parents or guardians with written standards related to policies, rules, programs, and procedures. All Tuffree Middle School students are responsible for knowledge of the information contained in this handbook. You need to review the handbook carefully with your parents or guardians and participate in a class review of the key points in the handbook during the first few weeks of school. We believe a successful school year depends on the team effort of all of us – students, teachers, parents, administrators, and support staff. We are proud of the commitment that our team has to personal excellence and compassion towards others. We look forward to a fabulous school year!

HOME-SCHOOL COMMUNICATION

www.tuffree.org: The Tuffree website highlights general information about the school such as staff contact information, bell schedules, monthly calendars, office procedures, announcements and PTA information and newsletters. Students and parents can also access teacher web pages from our school website which provides information about necessary supplies, class work, weekly homework assignments, and upcoming tests, projects, or events.

Falcon Flyer: This is the weekly newsletter that is sent home each Saturday via email in preparation for the following week. It will contain all important information parents need to know. Be sure that the office has your correct email address if you do not automatically receive this newsletter each week.

Facebook: Like us on Facebook to see the latest, sometimes in the moment, happenings around our campus.

AERIES: The Tuffree website is also linked to our Aeries Portal. Parents and students have already been given a code to activate an individual Aeries account. (If you have already set up your student's Aeries account, you do not need to re-activate it.) After activating the Aeries account, parents and students can monitor current grades, missing assignments, and test or project scores, as well as attendance.

Other Communication Venues: The school marquee on Kraemer Blvd. also posts major events for your convenience. Telephone communication through Parent Link is a school-to-parent communication system which allows your school to send periodic and personalized voice messages. Email is used extensively at Tuffree, as well. If you provide us with your email address, this will be yet another way for the school to communicate with your home.

Parent Conferences are encouraged at any time throughout the school year. Communication between home and school is essential for consistency and student success. Any issue or concern should always be addressed with the teacher first. To facilitate this communication, contact the teacher by note, phone, or email to discuss an issue or a concern, or share a success. Email is an excellent vehicle to use in clarifying any question or addressing a topic.

ACADEMICS

EDUCATIONAL PROGRAM: Middle school offers both required and elective courses. Each student has a total of seven class periods. Five of the seven courses are required; math, language arts, social science, science, and physical education. Report card grades are given four times a year at the end of each quarter. All parents will receive a mid-quarter progress check. Each quarter grade reflects the preceding 9 weeks of course work and is recorded on the student's permanent record. Middle School students are not given mid-term or final exams, nor do quarter grades carry over into the next quarter.

- All grades are assigned by teachers, and by law, can be changed only by the teacher assigning the grade. All students will receive a progress report midway through the quarter. Such notices are given to help students and parents understand and improve on academic or conduct deficiencies.
- Parents with questions about the progress or grade report after discussing it with their child should contact the teacher who assigned the grade. Parents may view current grades at any time by accessing their student's account on Aeries/Tuffree website. Remember, teachers do not give gradesstudents earn grades.

Students who fail to pass their core classes (language arts, social science, science, or math) will be required to attend after-school classes in the 8th grade and are at risk of being retained (CA Education Code).

The grade point system is as follows:

A 4 points (Superior)

B 3 points (Above average)

C 2 points (Average)

D 1 point (Below average)

F 0 points (Failure)

Daily Schedule: Students should not arrive on campus before 8:00 a.m. unless specifically requested in writing by a staff member or enrolled in Zero Period. Once the school day has concluded, students need to vacate the campus unless specifically requested to participate in an activity supervised by a teacher or administrator.

Textbooks: Books are issued to students at registration prior to the beginning of school. For textbooks which are lost or damaged, a full replacement cost must be paid. Most textbooks cost between \$50 - \$100. Payment will be refunded if the book is subsequently found in undamaged condition. Intentional damage to a textbook results in payment for the full cost of the book and assignment of consequences. Before receiving textbooks or checking out books from the library, students and parents will sign a book borrowing agreement.

Homework and Long-Term Assignments: Homework is an essential part of the learning process. It extends students' skills and develops independent creative abilities. Teachers consider home assignments when calculating class grades. The assigned amount of homework in middle school is a daily average of 30 minutes per class and a total of 1½ to 2 hours per night. Please keep this homework guideline in mind when budgeting after school and evening events. Students not completing homework may be referred to interventions including Homework Lunch Club, after-school teacher tutorials, and other interventions.

Turning in Student Work: All student work needs to be handed in to the teachers directly. The office will only accept student work for students on prolonged absences. Late or make-up work will not be accepted by the office.

Eligibility: The following eligibility guidelines include requirements that students must meet in order to participate in co-curricular and/or social activities. In order for a student to participate in any co-curricular or social activities, the student is required to maintain an overall (all subjects) grade point average of 2.0 on a scale of 4.0 on all quarterly reports. More specific criteria pertaining to social

and/or co-curricular activities will be outlined, including standards for attendance and/or participation, academic performance, and behavior, for those specific activities. The end of the year 8th grade trip to Knott's Berry Farm is based on satisfactory behavior during the 4th quarter and intended to reward 8th graders for excellent citizenship.

Library: The library is provided for serious study, and it is the student's responsibility to be quiet at all times. The library opens at 7:40 a.m. and closes at 4:00 p.m. each school day. Students may use the library before and after school and during nutrition break and lunch without a library pass. If a student wishes to use the library during a class, a hall pass from the student's teacher is required. Students are allowed to check out a maximum of three books at one time. Books may be checked out for two weeks and renewed once. To check out a book or use a computer in the library, the student must bring his/her student identification card to the library. Books may not be taken from the library without proper check-out from the librarian. Students may borrow books for their own use only and may not check out books for a friend. Loss of books and damage to books will be charged to the student based on the replacement cost of the books. Reference books and magazines are not checked out of the library. Textbooks which are only available in the classroom may be checked out overnight from the library. Before receiving textbooks or checking out books from the library, students and parents will sign a book borrowing agreement. Students may access computers and the internet in the library during the operation hours of 7:40 a.m. to 4:00 p.m. for the purpose of school assignments. A signed Internet Use Agreement must be on file in order to use the computers for Internet research. The student identification card is also required for use of computers.

School Materials: All middle school students are required to have materials for classes. The basics include: a student planner, three-ring binder, blue or black ball point pens, pencils, protractor, and white lined notebook paper. Your teachers may provide more specific materials lists. Individual students are not permitted to sell items on campus.

Make-up Work: We want our students to attend school every day! Activities such as collaborative learning activities, speakers, and classroom discussion cannot be duplicated and many courses require step-by-step learning. When a student is absent, it is his/her responsibility to monitor teacher websites and/or contact teachers concerning make-up work, or have a friend collect assignments during their absence.

- Assignments are posted weekly in classrooms. Additionally, most teachers post assignments on their websites, which can be checked by visiting the Tuffree Website and the teacher's name,
- Students are responsible for all class work assigned. Students are allowed two days for each day of excused absence to complete their make-up assignments, except for long-term assignments, which are due upon the student's return to school.
- If a student will be absent for three or more days due to illness, the parent may check the teacher's website or call the office to request class assignments that will be available for pick-up on the following day after 3:40 p.m.

Physical Education Excuses: Excuses from physical education classes due to illness or injury must be presented to the physical education teacher upon return to school. A parent/guardian note must be hand-written (no phone calls or emails will be accepted), presented to the teacher before class, and will be honored for one, two or three days, as specified by the parent. Long-term excuses beyond three days, must be written by a doctor and are required to be cleared through the attendance office. Doctor excuse documents may be obtained in the front office indicating the limitations of the injury or illness for the student, so that modified activities can be prescribed by the physical education teachers. If the student is not allowed to participate in ANY physical activity for a long term illness or injury, a written assignment will be given. That written assignment will be included in the student's grade for credit on any assignment missed during class time.

POSITIVE BEHAVIOR INTERVENTIONS AND SUPPORT (PBIS)

At Tuffree Middle School, we work as a team to create a compassionate, positive community where:

- Tuffree students show **RESPECT**.
- Tuffree students show **RESPONSIBILITY**.
- Tuffree students show **TEAMWORK**.

PBIS: TEACHING APPROPRIATE BEHAVIORS:

PBIS Behavior Kick-Off: At the beginning of the school year, all Tuffree students will participate in a kick-off day where the specific behaviors identified on the Tuffree behavioral matrix are taught throughout campus.

PBIS "Booster Shots": When needed at various times throughout the school year, students will receive "booster shots" or lesson reviews of the appropriate behaviors to demonstrate on campus. These lessons will be provided through instructional videos, re-enactments of behavior on campus, and other tools which will assist students in making positive choices on campus.

PBIS & Falcon Films: Tuffree’s video production class, Falcon Films, produces a daily news broadcast that will include announcements and reminders of these behavior expectations when appropriate.. A regular element of Falcon Films is student-created films demonstrating and reinforcing the appropriate positive behaviors on campus.

PBIS Classroom Instruction: Each Tuffree teacher will expect and reinforce the school-wide behavior expectations taught at the beginning of the school year. Additionally, teachers will provide classroom lessons on how to appropriately show respect, responsibility, and teamwork in their classroom. The Tuffree teachers will acknowledge, praise, and reward appropriate classroom behavior, and will re-direct and intervene with inappropriate behaviors.

PBIS: REINFORCING APPROPRIATE BEHAVIORS

Praising Appropriate Behavior: Teaching and reinforcing good behavior is a focus at Tuffree Middle School. Tuffree staff members seek to praise and recognize the excellent behavior we see from students on a daily basis.

Falcon Spirit Cards: When a student is exemplary in demonstrating respect, responsibility, or teamwork, a staff member or other adult on campus may reward them with a Falcon Spirit Card. Students who receive the Spirit Cards from a staff member will be able to use them to purchase items from the Spirit Store. The Spirit Store is open at lunchtime on Tuesdays and Thursdays. In addition, Staff may choose a student that has shown Respect, Responsibility and Teamwork consistently. The students name will be turned in and at the end of the week five students will be identified during announcements as Falcons of the Week. The Falcons of the week will receive a special prize.

Student of the Quarter: Each quarter, teachers will select “Students of the Quarter.” The students chosen will have demonstrated exemplary citizenship, academic dedication, or improved effort in school. These students will receive rewards, certificates, and will be recognized at school-wide assemblies.

PBIS: ENCOURAGING POSITIVE BEHAVIOR

Students not showing respect, responsibility, or teamwork will be provided interventions to correct these behaviors. Depending upon the behavioral incident and pattern, a disciplinary intervention will be applied by a Tuffree staff member or administrator.

Initial Interventions: If a student demonstrates a negative behavior, a Tuffree staff member will first attempt to correct the student’s behavior by:

- Ensuring student understands classroom lesson
- Discussing and re-teaching behavior expectation individually
- Goal-setting and reflecting with the student
- Selecting a temporary alternate class room for the student
- Offering alternatives for the student (different assignment, choices)

Secondary Interventions: If a student continuously demonstrates a negative behavior and previous attempts and modifying the student’s behavior have been unsuccessful, a staff member will attempt to correct the student’s behavior by:

- Attempting different primary interventions (mentioned above)
- Making a parent phone call or arranging a parent meeting
- Giving a Minor Behavioral Infraction, which may include a consequence

Minor Behavioral Infraction: A teacher may issue a minor behavioral infraction to serve as a notification to the student and parent that the negative behavior needs to be corrected. When a Minor Behavioral Infraction notice is issued, the following steps will take place:

- The staff member will give the Minor Infraction to the student and explain why it is being given.
- The student will take the Minor Infraction home to discuss the behavior with his/her parents; parents will sign the infraction.
- The student will return the Minor Infraction to the teacher. If the student has been assigned a teacher-detention, the student will serve the teacher detention.

Major Office Discipline Referral: A teacher may write an Office Discipline Referral for more severe or habitual behavioral infractions. When a Major Office Discipline Referral is written, the following steps will take place:

- The staff member will give the Major Office Discipline Referral to the assistant principal. • If necessary, the student will be removed from the classroom.
- The teacher will notify the parents of the behavior and inform the parents that it has been referred to the office.
- An administrator will meet with the student in a timely manner to address the behavior issue. • An administrator will determine appropriate consequences for the student; those will be added to the Office Discipline Referral.
- An administrator will contact the parents to discuss the behavior and possible necessary meetings or higher-level

interventions.

- The student will take the Office Discipline Referral home to discuss with his/her parents; parents will sign the Office Discipline Referral.
- The student, teacher, and an administrator may meet together to discuss the behavior and ways to improve behavior.
- The student will return the Office Discipline Referral.
- The student will serve the assigned consequences.

STUDENT ACTIVITIES

Activities Assemblies: Assemblies are a privilege in which our skills as an audience are as important to the success of the program as the content of the program. They provide an opportunity for Tuffree students and staff to receive important information, to be entertained, or be challenged to greater achievement.

School Dances: Dances are a part of the co-curricular program at Tuffree Middle School. Adult supervision is provided. Only Tuffree Middle School students are permitted to attend. No guests may attend. Dances begin at 3:35 p.m. and end at 5:00 p.m. Students are to make arrangements to be picked up by their parents or guardians promptly at 5:00 p.m. Students may not leave the dance prior to 5:00 p.m. without prior written permission by their parent or guardian. If students are released early, a parent or guardian must sign them out through the school office. Your cooperation is appreciated.

Eighth Grade Promotion: Each member of the eighth grade class is required to know the following behavior responsibilities. Failure to comply with these requirements will result in removal from eighth grade promotion activities, removal from the promotion assembly, and/or withholding of the Certificate of Promotion. These guidelines are consistent among all PYLUSD middle schools.

Eighth graders are considered students of Tuffree Middle School until the completion of all promotion activities. In order to participate in the promotion ceremony, all eighth graders must appropriately complete the required course of study with passing grades and have a satisfactory attendance record. **Any one or combination of the following circumstances will result in denial of participation in Knott's Berry Farm trip, the promotion dance, ceremony, and/or other related activities:**

- Student qualifies for retention by earning six (6) or more failing grades in CORE classes during the 8th grade school year. CORE classes include Language Arts, Social Studies, Science and Mathematics.
- Student is suspended during the 4th quarter, or is placed on a behavior exclusion list through disciplinary action
- Student may be placed on exclusion for habitual attendance issues; this will be determined via Student Study Team
- Eligibility for participation is a local school issue and the decisions of the administration are final.

Any member of the eighth grade class who participates in activities which result in suspension, is destructive to school property, and/or causes the district to expend monies for clean-up and/or repair **shall be excluded** from promotion activities and/or the ceremony.

STUDENT LIFE

INSURANCE: Our school district makes student insurance available to all students on a voluntary purchase basis. Students participating in extracurricular activities are required to have adequate accident coverage. District schools do not provide insurance for personal property of students. Personal property brought to school for use in the school program is brought at the owner's risk.

FIRE AND DISASTER DRILLS: Fire, disaster, and lockdown drills are required by law at regular intervals. Students are required to conduct themselves in an orderly and quiet manner during the drills. Because students must be able to hear emergency instructions, talking is not permitted during drills.

BACKPACKS: Students are advised to be very careful with their backpacks, and they should not leave money or other valuables in their backpacks. Students are not permitted to deface backpacks with marking or writing. All students should respect the property of others. Tampering with another student's backpack is not permitted, and any student violating this rule will be subject to consequences. District guidelines suggest that backpacks should be no heavier than fifteen percent of the student's body weight.

SCHOOL TELEPHONE: The office phone is for emergencies only and for students who are ill. Making arrangements for transportation home or asking permission to go somewhere after school are not considered emergencies. If changes in student-parent prearranged plans occur, students may use the school phone with permission from the office staff. Students may not use their cell phones to call parents or anyone else on campus.

FORGOTTEN ITEMS: Any items brought to school for students, (such as lunches, clothes, or projects), will be received in the front office and placed in a file box by the attendance door. Students can check this box during break, lunch, or between classes. Students can request them by coming to the attendance window during break, lunch, or between classes. Classes will not be interrupted for delivery of student items or to call students to the office to retrieve them. Money cannot be accepted in the front office to be given to students. For your convenience, envelopes are available in the front office (check made payable to PYLUSD Food Services) for parents to add money to student lunch accounts.

ATTENDANCE

If a student is absent one or more days, the student must clear the absence in one of the following ways:

1. When a student is absent, a parent or guardian should call the attendance office as early as possible on the day of the absence. Please call 714-986-7480, then press #3 to record the absence. This line is available 24 hours a day.
2. If the attendance office has not been notified of the absence, or if the absence will exceed three days, upon return to school, the student must bring a note to the attendance window, written and signed by a parent, guardian, or doctor explaining the reason for the absence.
3. Upon return to school, students have 48 hours to clear an absence. If a student does not clear an absence, in writing or by call, after 48 hours that absence will be permanently marked as truant. **Consequences will be assigned for truancies and/or failure to clear an absence within 48 hours.**

Excused absences will be issued for the following reasons (EC §48205):

1. Legal matters, medical visits, medical illness, personal reasons approved by the principal, or religious business, all of which must be accompanied by proper documentation
2. Death in immediate family
3. Illness (3 or more consecutive days requires a doctor's note)
4. Excuse to obtain confidential medical services (EC §46010.1): Pupils in grades 7 to 12 may be excused from school for the purpose of obtaining confidential medical services, without the consent of the pupil's parent/guardian (physician's note required upon return).

ATTENDANCE VIOLATIONS AND CONSEQUENCES

AUTOMATED PHONE CALL: An automated phone call will go out daily whenever a student is marked absent two or more periods. It is the responsibility of the parent/guardian to ensure absences are cleared. Parent/guardians are able to check attendance through the Aeries System.

EXCESSIVE EXCUSED AND UNEXCUSED ABSENCES:

When a student accumulates absences the following interventions will take place:

Absences 1-7	Parent contact
Absences 8-9	Excessive excused notification to parent by mail
Absences 10-14	Parent invitation to Student Attendance Review Team (S.A.R.T.)
Absences 15-19	Parent invitation to District Attendance Review Team (D.A.R.T.)
Absence 20	Truancy intervention process initiated by PYLUSD's Office of Student Services and all future absences will be marked truant (code R) unless documented (code D)

OFF-CAMPUS PASS: For a student to leave the campus while school is in session, the student must have an Off-Campus Pass. The student will need to present that Off-Campus Pass when they return from the absence. For planned absences, the student must have a note signed by a parent. In the event of a personal or family emergency, the counseling or attendance office must get approval from a parent, or his/her designee, before the student may leave the campus. Please remember that phone calls for parent pick-up may delay the release of the student due to unforeseen circumstances. If the student leaves without an Off-Campus Pass, the student will be truant and will not be allowed to clear the truancy. Off-Campus Passes will be issued (except for emergency reasons) before school, during break, and at lunch from the Attendance Office.

TARDY SWEEP: Students out on campus and not in their classes after the late bell rings may be escorted to the office and assigned detention or Saturday School hours.

TARDIES (per semester): As per district policy, the Attendance Office will only excuse tardiness if you provide the office with proper documentation by a reason stated in California Education Code 48205 -- legal matters (court documentation), religious business (official letter from religious institution), medical visit (doctor office note), medical illness (doctor note).

Any student not in class on time may be subject to the following:

Tardy 1-4	Handled by teacher, Parent contact, Teacher assigned consequence (1st Period may be handled by office)

HEALTH SERVICES AND MEDICATION DURING SCHOOL

The school does not have a school nurse on campus; however, there is a Health Clerk on campus for a limited time each day. There is a school nurse that covers the health needs at each school and communicates frequently with the Health Clerk. Please contact the Health Office if you would like to be contacted by the school nurse. Please indicate health issues on the Health Card or contact the school Health Office. Ill students cannot be sent home without parent/guardian permission, or that of another adult so designated by the parents on the Emergency Data Card and/or Health Card. If it is necessary for a student to take medication during school hours, the health care provider and parent must fill out the Request for Medication form which can be found on the district's health service website or the school Health Office. **IT IS ILLEGAL FOR A STUDENT TO BE IN POSSESSION OF MEDICATION ON HIS/HER PERSON WHEN ON CAMPUS UNLESS DOCUMENTATION FROM ISSUING HEALTH CARE PROVIDER IS ON FILE IN THE HEALTH OFFICE FOR MEDICATION BEING TAKEN.** If an exclusion for PE has been written by the health care provider, it must indicate the specific physical limitation/duration for the student (duration no longer than one semester). Have the student bring the written statement to the Health Office. Health care providers' requests at the end of grading periods are not acceptable to excuse students for prior absences. **IT IS EXTREMELY IMPORTANT THAT THE EMERGENCY CARD AND HEALTH CARD BE KEPT UPDATED.**

If a student is found to be in possession of medications not documented by the Health Office, depending on the circumstances, action will include one or more of the following: Parent conference, School suspension 1-5 days, Police involvement, Behavior Contract, Saturday School, Administrative Transfer.

LUNCH DELIVERIES: All middle schools are closed campuses. If you must deliver a lunch for your student, you must deliver it to the office. It is the student's responsibility to pick up their lunch from the main office.

CLASSROOM STANDARDS: Each classroom teacher has established classroom learning/behavior standards which include recognition

and consequences. Consequences could include detention with the teacher before school, at break or lunch, or after school. Any behaviors which create a habitual concern in the classroom will be communicated with parents, and appropriate consequences will be given prior to a referral to administration. Intervention strategies as developed by the student, parent, and teacher will be implemented. Students who habitually display negative behaviors, or whose behavior seriously disrupts the educational process, may be referred to the assistant principal or counselor. Referrals may result in administrative action.

GUESTS AND VISITORS: Students may not invite guests to school as it detracts from the classroom learning environment. All visitors must report to the school office to obtain permission to enter the campus to conduct authorized school business. All visitors must wear an ID badge at all times when on campus.

GIFTS: We cannot disrupt the educational process with flowers, balloons, or other large items; therefore, we do not allow gift items.

CAMPUS SALES AND SOLICITATIONS: Only authorized school organizations are permitted to sponsor on campus sales and fundraisers during the year. There shall be absolutely no soliciting of funds on campus for any activity that has not been approved by the Activities Office. School organizations must apply for fundraising dates through the Activities Office.

SEARCH AND SEIZURE: In an ongoing effort to maintain a safe and secure campus, the law provides school officials with the right to search students and their possessions when they have a “reasonable suspicion” that a student may be in possession of contraband or dangerous objects. We hope all students will be cooperative as the school official(s) will make every attempt to be unobtrusive and respectful of privacy. Students should be aware that grounds for suspicion commonly includes being “out-of-bounds” without permission or a report by another student, parent, or staff member of possession of contraband or dangerous objects. Students should also be aware that they will be held responsible for any contraband or dangerous objects found in their possession as it will be considered their property. If a student should discover contraband or dangerous objects on campus, he or she should go directly to the Assistant Principal or other staff member and report it without delay. (Education Code 49050)

SCHOOL DRESS CODE

Placentia-Yorba Linda Unified School District School Board Policy establishes that students shall wear appropriate clothing and footwear and groom themselves for school in a manner that does not discriminate against participants in, or substantially disrupt, the educational program. The administration and staff believe that dress affects the academic environment at school and, in some cases, can be disruptive to the learning environment. Therefore, the dress code applies at all times to students while on campus or in attendance at any school event.

The following items are examples and not intended to be a complete list of rules regarding dress:

- Clothing, jewelry and personal items (backpacks, fanny packs, gym bags, water bottles etc.) shall be free of writing, pictures or any other insignia which are crude, vulgar, profane or sexually suggestive, which bear drug, alcohol or tobacco company advertising, promotions and likenesses, or which advocate racial, ethnic or religious prejudice.
- Clothes shall be sufficient to conceal undergarments at all times. See-through or fish-net fabrics, halter tops, off-the-shoulder or low-cut tops, bare midriffs and skirts or shorts shorter than mid-thigh are prohibited.
- Pants must be worn near waist level; oversized clothing is unacceptable.
- Outer clothing must be in good repair.
- Shoes must be worn at all times. No open toed shoes allowed. All shoes must have a back.
- All decisions regarding interpretation of dress code will be determined by administration. Actions may include one or more of the following:

Incident 1	Item may be confiscated, alternative clothing loaned, warning given, parent, contacted
Incident 2	Item will be confiscated, alternative clothing loaned, parent conference, detention.
Incident 3	Item will be confiscated, alternative clothing loaned, parent conference, Saturday School / Saturday Work hours assigned, possible student contract.
Incident 4	Item will be confiscated, alternative clothing loaned, parent conference held, in-house suspension, student placed on behavior contract.
Incident 5	Item will be confiscated, alternative clothing loaned, parent conference held, student placed on Behavior contract, student may lose privileges to participate in school activities, school suspension (Ed Code 48900(k) Defiance)

The administration reserves the right to utilize administrative discretion to add or delete items on this list as needed to maintain a safe and nurturing educational environment. Parents will be notified of changes through direct email communication.

ELECTRONIC SIGNALING DEVICES (CELL PHONES)

It is the intent of the school in exercising its authority to regulate the use of cell phones to establish guidelines and regulations that will ensure the continuation of a positive climate for learning free from unnecessary disruptions. Although state law no longer prohibits students from possessing cell phones, restrictions of their use on a school campus must exist to ensure such use does not infringe upon the rights of others or interfere with classroom instruction or other school activities. The school does not encourage student possession or use of cell phones on campus and does not assume liability if such devices are damaged, lost, or stolen.

Cell phones shall remain turned off during the school day unless teacher approval is given.

If the privilege of having these devices at school is abused and the possession or use of a cell phone violates this policy, the school has the right to revoke the privilege. Depending on the circumstances, actions may include one or more of the following:

DISTRICT ANTI-BULLYING POLICY

The Board of Education believes every child is entitled to a safe school environment free from bullying. Bullying is defined as any severe or pervasive physical or verbal act, including communications made in writing or by means of an electronic act, committed by a student or group of students directed towards other students

Students who have knowledge of discrimination, harassment, intimidation or bullying are encouraged to inform a teacher or school administrator as soon as possible. Contact may be made directly via email to an administrator, **TEXT-A-TIP (714-584-8110)**, a phone call, or in-person. Students and parents may make such complaints anonymously. Anonymous reports must provide sufficient corroborating evidence to justify the commencement of an investigation. Because of the inability of investigators to interview anonymous complainants, it may be more difficult to evaluate the allegations and, therefore, less likely to cause an investigation to be initiated.

The identity of a complainant alleging discrimination, harassment, intimidation, or bullying shall remain confidential as appropriate within the dual contexts of the District's legal obligation to ensure a learning environment free from discrimination, harassment, intimidation and bullying, and the right of the accused to be informed of the allegations. Some level of disclosure may be necessary to ensure a complete and fair investigation, although the District will comply with requests for confidentiality to the extent possible. Students who violate this policy may be subject to discipline, ranging from counseling, detention and/or parent notification to suspension and/or expulsion pursuant to the District's discipline policies and procedures.

The district also is mindful that, at times, behavior that is rude or insensitive may nevertheless be constitutionally protected in the context of a public school environment. Such conduct can best be prevented with effective strategies that involve pupils, parents and school employees in collaborative efforts to promote respectful relationships and to improve or change inappropriate behaviors while teaching acceptance and ensuring equal educational opportunities for all.

SEXUAL HARASSMENT & BIAS-RELATED INCIDENTS

Any student who engages in sexual harassment of anyone at school or at a school-sponsored or school-related activity is in violation of this policy and shall be subject to disciplinary action. Disciplinary action may include suspension and/or expulsion.

Any student who feels that he/she is being or has been subjected to sexual harassment shall immediately contact a school employee. A school employee to whom a complaint is made shall immediately report it to the principal or designee. Any school employee who observes any incident of sexual harassment on any student shall similarly report his/her observation to the principal or designee, whether or not the victim makes a complaint. [EC 48980 (h), 231.5, 212.5; BP 5145.7, AR 5145.7, 5CCR 4917]

The district designates the following individual(s) as the responsible employee(s) to coordinate its efforts to comply with Title IX of the Education Amendments of 1972 and California Education Code 234.1, as well as to investigate and resolve sexual harassment complaints under AR 1312.3 - Uniform Complaint Procedures. The coordinator/compliance officer(s) may be contacted at:

Eric Mooney, Director, Educational Services

2. Submission to or rejection of the conduct by an individual is used as the basis for academic decisions affecting the individual.
3. The conduct has the purpose or effect of a negative impact on the pupil's academic performance, creating an intimidating, hostile or offensive educational environment.
4. Submission to or rejection of the conduct by the individual is used as the basis for any decision affecting the individual regarding benefits and services, honors, programs, or activities available at or through the school.

Types of conduct which are prohibited in the district and which may constitute sexual harassment include, but are not limited to:

1. Unwelcome sexual flirtations or propositions
2. Sexual slurs, leering, epithets, threats, verbal abuse, derogatory comments or sexually degrading descriptions
3. Graphic verbal comments about an individual's body, or overly personal conversation

8. Purposefully cornering or blocking normal movements
9. Limiting a pupil's access to educational tools
10. Displaying sexually suggestive objects

For complaints regarding sexual harassment site-level grievance procedures are:

Any student who believes that he/she has been subjected to sexual harassment by another student, an employee, or a third party on school grounds or at a school-sponsored or school related activity off-campus or who has witnessed sexual harassment is strongly encouraged to report the incident to his/her teacher, the principal, or any other available school employee. Within one school day of receiving such a report, the school employee shall forward the report to the principal or the district's compliance officer identified in AR 1312.3. In addition, any school employee who observes an incident of sexual harassment involving a student shall, within one school day, report his/her observation to the principal or a district compliance officer. The employee shall take these actions, whether or not the alleged victim files a complaint.

When a report or complaint of sexual harassment involves off-campus conduct that did not occur in the context of a school related activity, the principal shall assess whether the conduct may create or contribute to the creation of a hostile school environment. If he/she determines that a hostile environment may be created, the complaint shall be investigated and resolved in the same manner as if the prohibited conduct occurred at school.

When a verbal or informal report of sexual harassment is submitted, the principal or compliance officer shall inform the student or

parent/guardian of the right to file a formal written complaint in accordance with the district's uniform complaint procedures. Regardless of whether a formal complaint is filed, the principal or compliance officer shall take steps to investigate the allegations and, if sexual harassment is found, shall take prompt action to stop it, prevent recurrence, and address any continuing effects.

If a complaint of sexual harassment is initially submitted to the principal, he/she shall, within two school days, forward the report to the compliance officer to initiate investigation of the complaint. The compliance officer and his/her designee shall contact the complainant and investigate and resolve the complaint in accordance with law and district procedures specified in AR 1312.3. Any complainant who is dissatisfied with the district's final written decision may file an appeal in writing with the CDE within 15 calendar days of receiving the district's decision.

In investigating a sexual harassment complaint, evidence of past sexual relationships of the victim shall not be considered, except to the extent that such evidence may relate to the victim's prior relationship with the respondent.

In any case of sexual harassment involving the principal, compliance officer, or any other person to whom the incident would ordinarily be reported or filed, the report may instead be submitted to the Superintendent or designee who shall determine who will investigate the complaint.

CONFIDENTIALITY

All complaints and allegations of sexual harassment shall be kept confidential except as necessary to carry out the investigation or take other subsequent necessary action.

However, when a complainant or victim of sexual harassment notifies the district of the harassment but requests confidentiality, the compliance officer shall inform him/her that the request may limit the district's ability to investigate the harassment or take other necessary action. When honoring a request for confidentiality, the district will nevertheless take all reasonable steps to investigate and respond to the complaint consistent with the request.

When a complainant or victim of sexual harassment notifies the district of the harassment but requests that the district not pursue an investigation, the district will determine whether or not it can honor such a request while still providing a safe and nondiscriminatory environment for all students.

RESPONSE PENDING INVESTIGATION

When an incident of sexual harassment is reported, the principal or designee, in consultation with the compliance officer, shall determine whether interim measures are necessary pending the results of the investigation. The principal/designee or compliance officer shall take immediate measures necessary to stop the harassment and protect students and/or ensure their access to the educational program. To the extent possible, such interim measures shall not disadvantage the complainant or victim of the alleged harassment. Interim measures may include placing the individuals involved in separate classes or transferring a student to a class taught by a different teacher, in accordance with law and Board policy. The school should notify the individual who was harassed of his/her options to avoid contact with the alleged harasser and allow the complainant to change academic and extracurricular arrangements as appropriate. The school should also ensure that the complainant is aware of the resources and assistance, such as counseling, that are available to him/her. As appropriate, such actions shall be considered even when a student chooses to not file a formal complaint or the sexual harassment occurs off school grounds or outside school-sponsored or school-related programs or activities.

In addition to those procedures, for complaints of sexual harassment, the following steps will also be included:

Complainant requests to remain anonymous will be honored but the district will inform the complainant that this request may result in a limited investigation and/or actions the district can take. When honoring a request for confidentiality, the district will nevertheless take all reasonable steps to investigate and respond to the complaint consistent with the request.
