Principal's Message.....

Here we are back to school after hopefully a relaxing winter break. Whatever it is that your family chose to do for the winter break we are all happy to be back together again to move strong in the direction of great learning here at Park School. We are excited to once again have Mr. Hyke lead our younger students through Science Lab. He will be enthusiastically bringing his knowledge and new ideas to enhance our students' Science experience. Our Parent Lunar New Year Celebration Committee has begun preparations for the Festival scheduled for Feb. 7 from 5-7pm. Make sure to save the date as it promises to be a fun, family event! Lastly, I would like to thank all of you for making our last week before the break truly festive. It was wonderful to see how many of you supported the classroom holiday celebrations and were so thoughtful in bringing goodies or gifts to us in the office. Words can't express how grateful I am to be a part of this caring, appreciative school family.

Warm Regards, Dr. Molina-Solis
