End of Year Message from Mr. See, Head of School

CECFC Families,

Well, the school year is wrapping up, but this year it is from our homes and we separated from each of you. While this is not the ideal way to send us all to our summer, I am incredibly proud of each student, family member, and every single staff member for making it through and finishing what they started in this most unconventional situation. We miss each and every one of you and cannot wait until we can be together again. To every student: hold your head high and realize that you have worked harder, persevered through many obstacles, and accomplished things these last 7 weeks that you may not have realized you ever could have accomplished. Be proud of yourself. Give yourself grace. Reflect upon this year and enjoy your summer, because starting next school year, there is really nothing you cannot achieve.

With much appreciation,

Mr. See

Remember to “Shine”

We all want to wish you Good Luck on finals and don't forget to still have fun and take care of yourselves! We are all so proud of you! Here's a little reminder that there is still fun to be had, even during life in the Quarantine! CLICK HERE TO SEE HOW WE SHINE!!!

Textbook Return AND Yearbook Pickup Information

Due to COVID-19 and the directives given by the Health Department, textbook returns and yearbook pickup is going to occur via a staggered, scheduled, drive-through process. All Health Department guidelines will be strictly adhered to. All staff will maintain a 6-ft distance and will wear face covering and gloves at all times. Transactions will occur via a disinfected cart rolled up to the window of the vehicle. We respectfully request that you do not approach the school if you or anyone in your vehicle are experiencing sickness of any kind. We also ask that you do not get out of your vehicle during the process.
In an effort to minimize the number of people present at the school at any given time, we have outlined a staggered schedule based on grade level and student last name. Please review the outline below to determine your assigned slot. If your family has multiple students in various grades, please choose one of the appropriate slots and only come one time. *Keep in mind that the Middle school is organizing a separate book drop/yearbook pick up at their location.* In the event you are unable to come to the school during your assigned time slot, please attempt to come on a different day during the same Last Name time. If that is also unavailable for you, please come when you can.

There are a limited number of unpurchased yearbooks available if you have missed purchasing one and still wish to do so. We will only be equipped to accept **CASH** or **CHECK** for non-reserved yearbooks. No credit or debit cards will be accepted.

### Graduation

While CECFC continues to live in hope and plan for an in-person graduation later this summer as restrictions surrounding COVID-19 are (hopefully) relaxed, we also want to make sure we celebrate our 2020 graduates on graduation day.

We will be hosting a virtual graduation ceremony and senior graduation boards through this website. We are asking all our CECFC families to join us on **May 17th at 2:00 pm** to celebrate all the achievements of this amazing group of students!

We are also asking seniors and parents to help us make your senior graduation boards special by submitting photos through the website or by using this link. Senior pages can be accessed using the password: **CECFC**

### Yard Signs for Graduates

Class of 2020! The yard signs have arrived! Starting **Monday, May 11th**, A CECFC staff member will deliver your personalized yard sign to your home and either place it in your yard, porch area, or against your front door. This will be a quick drop-off so that staff can follow proper social distancing. Staff will not ring a doorbell, knock on your door, or otherwise let you know they are there. Just be on the look-out for your special delivery! Enjoy your sign and Congratulations! We are so very proud of all of you!!!
