Please carefully read the contract below regarding the guidelines and provisions for 7th grade Honors Placement courses.

- If a student fails to make above a **75 by report card** they will be placed on academic probation. Both the student and parent will be made aware of the academic probation through a letter sent home that will require a parent signature and teacher will also make contact.
- Failure to bring the grade up by the next report card will result in the removal of the student from their Honors course. A student can only be on probation one time during the school year. If a student's grade is below a 75 a second time on a 9-weeks report card, then the student will be removed from the course.
 - 1st Time below 75 = Probation
 - 2nd Time below 75 = Removal of Honors class
- In addition, schedule changes are also contingent upon the availability of space in an equivalent content area classroom, and may result in the student's schedule being rearranged. If a student is removed from a Honors course their transfer grade will be provided to the new teacher.
- If a student is removed from an advanced class, they cannot be placed back in the same advanced course the same school year.
- Students are able to "opt-out" or choose to un-enroll from a Honors class at any time if they follow the proper schedule change procedures.

Statement of Rigor: I understand and affirm that I have registered for and am committed to completing my Honors class. I understand that Honors classes are rigorous and challenging by design and that one of the primary goals of these classes is to prepare me for college-level classes at the high school. I understand that I am responsible for any and all assignments, projects, and homework, and I have considered the workload of these classes in light of other commitments and activities. In addition to this, I recognize that primary responsibility for completing work, procuring and completing make-up work, and communicating with the teacher lies with the student. I also understand that I will be removed from my Honors course if I fail to make the required grade.

Student Signature **Date**

I understand that my child will be responsible for their work, and failure to do so may result in probation or removal from their Honors course.
