Family Discount

PAL offers a ten dollar (\$10.00) discount for third player registrations. Family's fourth (or additional) player(s) will be registered for free.

Concession

PAL is a non-profit organization who strives to provide community sports activities at a discounted rate. In order to do this, we rely on our PAL sponsors and family of volunteers. Each player's family can contribute by volunteering in the PAL concession stand. Individuals age 14 or older are eligible to volunteer in concession.

A 'promise' concession volunteer check for \$40 will be required in order to receive a participant's uniform. When volunteering for concession is completed your check will be returned, uncashed. If, at the end of the season you have not completed volunteer time your check will be cashed to satisfy the opt-out fee.

(Example: 1 child in your family = you would Volunteer once during the season for a 4 hour concession shift, 2 children in your family = you would volunteer twice during the season for a 4 hour concession shift, no concession/volunteer shift for 3rd and additional children per family). We will send out a link by email for families to sign up online.

You can opt-out of volunteering and will not be scheduled to volunteer in concession for \$40.

Fundraiser

Each player is asked to participate in the fundraiser. Maximum 2 fundraisers per family 3rd and additional children are not required to fundraise.

You will need to pick - up your fundraiser tickets during any of our in-person registration dates at The Norwin Public Library in February or during our PAL discount day at the Greengate Plaza Dick's Sporting Goods Store on March 3rd.

You may opt-out of the fundraiser for \$40.
