

Attention: Parents and Students of Delta, Summit and CEP students. As you already are aware school will not be in session beginning on March 16<sup>th</sup> with a tentative return date of March 30<sup>th</sup>. During this time ALS will be available via the internet. You will need to access the ALS website via the web address [www.wba.aplusanywhere.com/chsd218](http://www.wba.aplusanywhere.com/chsd218)

Once you navigate to this page you will select the button Browser Playback. Log in to the website using your personal credentials that you use at school to access the ALS program.

Per the program you are still required to take notes in order to earn credit for these courses. You will either need to bring a copy of your notes in with you upon the completion of all e-learning days or e-mail a copy to [Kevin.Clough@chsd218.org](mailto:Kevin.Clough@chsd218.org) as you progress through lessons.

For these days all contact for the CEP or PDS classes on the ALS program should go to Kevin Clough. He will be able to unlock tests and answer any questions via e-mail between the hours of 8-5:30. When contacting him please outline what you need in a clear manner.

Due to the large number of students using the ALS program please only use the ALS program during your school's hours.

Delta and Summit: 8:00 to 2:30

CEP: 1:30 to 5:30

If you access the program outside of these hours there is no guarantee you will be able to login.

Thank you for your understanding and patience as we look to keep the students, families and staff of District 218 safe.

Kevin Clough
