On behalf of the staff at Oakfield-Alabama, congratulations to seniors Christian Bradt and Julius Ohlson. These two students in the Building Trades class were recognized and inducted into the National Technical Honor Society at a ceremony held on March 15, 2018 at Elba Central School.

What is NTHS? NTHS is a national honor society that recognizes outstanding student achievement in Career and Technical Education. NTHS encourages higher scholastic achievement, cultivates a desire for personal excellence, and helps students find success in today's highly competitive workplace. NTHS recognizes and honors students who excel in their career field and acts as a service organization in our community.

GLOBAL SCHOOL PLAY DAY

Some O-A Elementary teachers may have been the most popular in school on February 7th. After learning about a movement to bring more unstructured playtime into children's lives, several teachers joined in on Global School Play Day 2018. This day has been set aside for allowing students as much free time to play as possible. Most teachers opted to incorporate 1-2 hours of free play into their school day. Students were busy with everything from old favorite board games, imaginative play with figurines, dolls or action figures, blocks, craft projects, stacking cups, dramatic play and dress up.

According to Peter Gray, a psychology professor and well-known researcher at Boston College who inspired the movement, the answer to many problems faced by children is beautifully simple and just about as old as time itself...unstructured, non-electronic, and "no battery required" playtime.

In addition to spending years studying the importance of play, Dr. Gray states, "I've helped to document the decline of play over the years and the sad consequences this has had for a child's development". Some of the consequences linked to this decline include and increase in childhood depression and stress-related health problems.

A group of 6 educators were so moved by Dr. Gray's findings and their own observations that playtime was being overshadowed out of child's lives by technology, busy schedules and homework, that they launched the **Global School Play Day initiative in 2015**. The goal is to help others become aware of the fun and power of play as a critical tool to develop the social, emotional and academic needs of all children.

The following OAE teachers participated in GSPD 2018:

Mrs. Della Penna, Mrs. Buckley, Mrs. Hyrek, Mrs. Hurlbut, Mrs. DerSarkissian, Mrs. George, Mrs. Clark, Mrs. Woodward, Mrs. Karas, Mrs. Talley, Mr. Hammond, Mrs. Johnson, Ms. Schultz, Mrs. Maxwell

3RD ANNUAL ELEMENTARY LEADERSHIP DAY

ELEMENTARY MATH OLYMPIADS

Oakfield Alabama Elementary School's Math Olympiads Team completed a terrific tenth season in the 17-18 academic year! All of the participants did wonderful work within the weekly practices and five competitions. There were 28 children at the elementary level who accepted the challenge of completing the Math Olympiads Program, along with nearly 150,000 students worldwide. There are over 4,500 teams in the United States, with approximately 100,000 students. Additionally, about 1,800 teams in 32 other countries participate.

Listed below are the high scorers at the 4th, 5th, and 6th grade levels. **Bodie Hyde** earned the **high overall team score**, with **Shaun Alexander & Logan O'Hare** tying for **second highest overall score**, and **Seth Gibson, Ronald Muntz, and Julian Schrauger** all earning **third overall score**.

Excellent work to all of our elementary mathletes!

FIRST PLACE FOR OA MATHLETES

The OA Math Team had a very successful year finishing first in the Genesee Region North Division. Every meet was a tough contest against our opponents, but the mathletes worked hard and earned the first place trophy!!

Junior Kyle Mott led our OA scorers with 84 points overall, Junior Colin Graham finished with 78 points and Senior Josiah Yantz rounded out the top three with 72 points. These three young men were selected as All Stars and will compete at the Monroe County Math League and New York State Math League competitions in March. Logan Cadieux, Alexa Cory, Justina Pruski (absent from picture), Lauren Reding and Josiah Yantz were our senior squad this year. They will be greatly missed next year. We wish them well and much success as they head off to college next year. Our juniors on the team are Evan Dusky, Colin Graham, Erik Maier, Kyle Mott and Bryson Tobolski. The sophomore trio includes Aiden Cornelius, Dylan Rykert and Ryan Sage. Congratulations to the team on a great season!!

ALUMNI HALL OF FAME

Nominations are currently being accepted for this year's induction class of the Oakfield-Alabama Alumni Hall of Fame. The Hall of Fame recognizes outstanding OACS alumni who have achieved distinction in their lives and chosen field after high school through significant contributions to their career, community or through personal achievements. If you know a person who meets the following criteria, please consider nominating him/her for this prestigious honor:

1. Nominees must be graduates of OACS or one of its predecessors, or have been active in school classes and activities during their senior year. (Nominees who left school while in good standing to perform military service are also eligible. Deceased alumni are not eligible for induction until the 5th anniversary of the year of their death.)
2. Nominees must have graduated prior to 2003.
3. Selection is based on achievement after leaving OACS which includes a worthy record in more than one, and exemplary achievement in at least one of the following:
 - Job-related achievements
 - Professional honors and awards, professional affiliations, publications
 - Civic or community involvement
 - Personal achievements/accomplishments
 - Positive impact on the communities in the Oakfield-Alabama school district

Anyone may submit a nomination for any person meeting the criteria stated above. Nominations must be made during the nomination period only (March 1 – April 30) by using the Online Nomination Form or the PDF Nomination Form (see links below). Electronically submitted nominations are strongly preferred over mailed-in, hardcopy nominations.

1. Online Nomination Form <http://www.oacsalumni.org/content/HallOfFame/NominationProcess/OnlineForm>
2. PDF Nomination Form http://www.oacsalumni.org/content_files/HallOfFame/NominationProcess/form.pdf

great happens here

The *Leader in Me Program* provides our district with the vision and language to lead in a way that addresses all areas of development. As each student discovers and develops his/her unique gifts and talents, they are given opportunities to lead. As leaders, they become active, engaged partners in their own education and their self-confidence, responsibility, and initiative grows.

At this time we are excited to announce the creation of a student-led Lighthouse Team to be comprised of approximately 20 Middle High students selected from an application and interview process held in April. Students who are chosen to participate on this Action Team will be responsible for attending monthly meetings where they will work side-by-side with teachers making major decisions, impacting the culture of the school, and leading change.

Thanks to Lydia, store manager at McDonald's (West Main Street, Batavia), for supporting our first Middle High *Leader in Me* initiative with shakes for our student announcement leaders.

HEALTH OFFICE NEWS

New Guidelines for School Physicals

New York State has changed its regulations for grade level school physicals.

School physicals are now needed for entrance into grades Pre-k, K, 1st, 3rd, 5th, 7th, 9th, and 11th. Please call the Health Office or your child's doctor to see if your child's physical is current.

Attention all parents/guardians of a fifth grader:

If your child will be 11 years of age at the start of school in Sept. 2018, he/she is **REQUIRED** to have the Tdap vaccination before entry into 6th grade. If your child will only be 10, he/she will have 2 weeks to get vaccinated after their 11th birthday. This is a requirement of New York State. Please call the Elementary Health Office with any concerns.

Dental certificates, completed and signed by your child's dentist, will be requested along with the Physical exam reports, in the grades listed above.

Fall Sport Physicals for sixth graders are scheduled for May 16th at 9 a.m. in the Elementary Health Office. Paperwork will be coming home the first week of May.

Middle/High School Fall Sport physicals will also take place on May 16th, beginning at 7:45 a.m. Students must see the nurse in order to obtain the necessary health forms for sport participation.

The Elementary and MHS buildings are finally seeing a decline in the Influenza Virus. The stomach flu and strep throat are still going around. Please continue to follow the guidelines on when to keep your child home.

Working Papers: Encourage your child to plan ahead for Summer employment. Working papers require a current physical exam. Students may sign up for a physical in the HS health office in May.

Congratulations to the cast, crew, and pit band of The Sound of Music on three outstanding performances!

GENESEE REGION SENIOR ALL STARS

Congratulations to Ryan Douglas and Kylie Schlagenhauf on being selected to represent the Genesee Region at the Section V Ronald McDonald Senior All-Star game. It is rare that athletes from the same school are selected. These athletes played in their games on March 24th at Rush-Henrietta school and all proceeds benefitted the Ronald McDonald house. Great job Ryan and Kylie!

Congratulations also go out to the following students for being selected as Genesee Region All Stars for the 2017-2018 winter season:

Ryan Douglas and Tylor Ohlson
Boys' Basketball

Brianna Smith, Kylie Schlagenhauf, and Makayla Hilchey
Girls' Basketball

Kim Mejias and Alexa Cory

OACS Varsity Basketball Cheerleading

A **"THANK YOU"** shout out to everyone who participated in the Cheerleading Gift Card Raffle at the boys' basketball game held on February 12th. The winner of the "food" variety gift cards, totaling \$130.00, was Bret Haas. He was very excited to have won the gift cards! Thank you for supporting the Varsity Basketball Cheerleaders!

Cheerleading Competition Update...

On February 10th, the OA Cheerleaders placed 2nd at the Empire Cheer Winter Classic @ R.I.T.

On February 17th, the OA Cheerleaders placed 3rd at the Genesee Regional Cheer Competition @ Alexander High School

On February 24th, the OA Cheerleaders placed 7th at the Section V Cheer Competition @ R.I.T

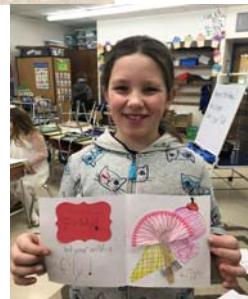

The cheerleading coaches are so very, very proud of the varsity cheerleaders for their hard work and dedication this past basketball season! The girls worked very hard and accomplished new and difficult stunts! It is always sad to see the season come to an end. The girls worked well together and they all shared a common goal...to represent OA to the best of their ability. And...they did just that! They will always be a winning team in our eyes! Thank you to the home crowd, and to the "Crazies", for your "FAN-tastic" enthusiasm from the stands, for the energized atmosphere added to the excitement of the evening!

Congratulations to both the boys' and girls' basketball teams for their successful efforts this past season!
Way to go O-A!!

The OA Card Club

The Elementary Card Club has been busy making cards for OA students and staff. The sixty Card Club members meet on Thursdays before school. The mission statement of the Card Club is "*We can bring joy to others through cards*". Please contact Mrs. Talley or Mrs.Orts if you know of a student or faculty member that would benefit from one of these special handmade cards!

Dolly Parton's Imagination Library

The Richter Family Foundation, which sponsors and manages Dolly Parton's Imagination Library in the Oakfield-Alabama School District, will now register children living in the district online. Our original paper registration brochures will still be available at the following locations: Alabama Holley Farms, Alabama Town Hall, Haxton Library, M&T Bank, Oakfield Village Office, and the O-A Elementary School.

Dolly Parton's Imagination Library is a free (to the family) monthly book program for children who are younger than 5 years of age residing in the O-A district. To register online, simply go to www.imaginationlibrary.com, click on register my child at the top, and follow the directions.

If you have questions, you may contact the Richters at (585)948-9675.
