

Update for Vintage Hills Elementary School's! Photos Estimated Ship Date: 12/13

Dear Vintage Hills Community,

We apologize for the delay. We've had serious issue with our lab this year. They've caused major delays and made it incredibly difficult to get concise answers to our parents. We wanted to address this delay. We are certainly aware of it and know it's completely unacceptable.

We are taking our school photos to a new lab next school year. This is a much needed and incredibly positive change for us.

Again, We apologize for the delay in response, and any inconvenience this may have caused.

If you have any questions please don't hesitate to contact us.

Sincerely,

Shooting Stars Productions Staff
