WHAT OTHER PRESIDENTS HAVE A B-DAY THIS MONTH?

Other than George Washington and Abraham Lincoln two other Presidents have a birthday this month – William Henry Harrison on February 9, 1773 and Ronald Reagan on February 6, 1911. Happy Presidents Day!

Q: Why is fish often prepared and served with lemon?

A: Nowadays, it's mostly for flavor. But legend has it that people first served lemon with fish because they believed it would dissolve any fish bones they might swallow! With or without lemon, salmon filets like these are high in heart-healthy omega-3 fatty acids. Not to mention that they're also scrumptious!
