July 2019

Dear Parents:

Beginning August 1st, you will be able to log on to the Aeries Parent Portal to review and update your contact information as well as read, “sign” and provide consent/authorization to almost all necessary documents for the 2019-2020 School Year. Though these steps do take time, they do not have to be completed in one sitting.

The final step in the process is to print and sign the bottom of the two-page enrollment document. Please bring it to the school office on Registration Day, Tuesday, August 27th, at the appropriate time listed below. Those who do not complete the process ahead of time will be asked to do so before given the student’s class schedule. Parents who arrive at Registration Day with the document in hand will experience expedited processing.

Re-Registration Guidelines (This process does not work on mobile devices, including phones and tablets).

1. Type in the following in the address bar (not search bar): portal.fvdsd.us
2. When you log on, you will be prompted to update your child’s information.
3. If you no longer remember your password, Aeries will send a link to the email on file to enable you to reset your password.

The School Office will be available for assistance beginning Tuesday, August 20th. If you do not have access to a computer and/or printer, please contact us at 714-378-4220.

6th Grade and New Student Orientation Day will be on Friday, August 23 from 9:00am-9:45am. This event is for STUDENTS ONLY.
