Scoring High:

Hearn Academy is **A** rated with a **99% final score** for our school wide state grade composite. This achievement places our school as one of the best, most highly rated K-8 public or charter schools in the state.

Success and learning are truly the hallmarks for our young people. As parents, please share this awesome accomplishment with your friends and family. As you know, exemplary test results are a team effort between the teachers, students and the families within our school community. Well done Hearn families!

Parent Survey Update:

Thank you for taking the fall survey. The results have been shared with the Leadership Team and the Governing Board. Overall, the teachers, staff, and our school facilities have been responsive to your needs this year. In particular, our families appreciated our school's cleanliness, highly engaging teachers and friendly office environment. We want to especially acknowledge the parents who thanked Miss Betty for being welcoming and helpful. She is amazing; we agree!

Chili and Salsa Cook-Off:

A special thanks to Stone Creek Bible Church and Pastor Christian for their enthusiastic partnership with Hearn Academy to help us offer a real carnival and lots of exciting rides this year. We had over 1,000 people of various ages celebrate with the school during this big event. Next year promises to be even bigger and better! If you enjoyed our event and have great ideas to share or know local or national businesses who would like to help sponsor this great community-based event please drop us an email to kgriner@ballcharterschols.org.

Grades and Awards Assemblies for 2nd Quarter:

Grades will be sent home with you children the week of December 20th. The Awards Assemblies are being held on Friday, January 11, 2019. Assembly times for the assemblies will be the same; the date was moved to be a "kick-off" activity to celebrate our second semester and our continued emphasis on exceptional achievement and exceptional AzMerit scores. Being an A rated school is our mission and staying committed to excellence is our "blueprint" for success.

Happy Holidays!
