The Lauderdale County School District encourages families to be proactive in the reduction of the COVID-19 Virus. Children should remain in the vehicle. Admittance into the school will not be allowed, and all meals must be consumed off-site. Each child may receive lunch for immediate consumption, AND breakfast is intended for consumption the following day.

Food safety guidelines will be distributed with each meal. We will continue to monitor the situation and take guidance from the Mississippi State Department of Health (MSDH), the U.S. Centers for Disease Control and Prevention (CDC), and the Mississippi Department of Education (MDE). This institution is an equal opportunity provider.
