

Dear Armstrong Elementary Supporters,

"We are the music makers and we are the dreamers of dreams!" – Willy Wonka

We are dreaming big for our annual Armstrong Elementary School Auction to be held on October 12th, 2018 at The Dallas Country Club. This celebration is a highly anticipated and widely attended event each year. Your generosity and support are vital to our mission of providing an enriched learning experience for our students.

By supporting the Armstrong Auction, your business will be recognized through numerous marketing avenues, as our successful auctions generate high visibility for our donors.

This is our school's largest fundraiser and raises the funds necessary to support programs and resources to bridge the gap created by the State of Texas' school funding laws. The proceeds from our annual auction are gifted to the school to supplement teacher salaries and development, technology replacements and subscriptions, and facility improvements. Your support is essential to bridging the funding gap by providing these programs and improvements each year for Armstrong students.

We invite you to partner with us in supporting Armstrong Elementary and making these dreams come true. On behalf of the students, teachers, staff, and parents of John S. Armstrong Elementary, we appreciate your support and look forward to your participation.

Sincerely,
