

***Little Brother***  
**by Cory Doctorow**

Over the summer, we hope you will enjoy reading this book, which was recommended by several of your classmates.

While reading, please annotate as you've done all year—use post-its so you can find your notes for discussion. Please also pay attention to issues being discussed by the Presidential candidates, and think about connections to the novel. You should develop 4 text-based questions that will open up interesting conversations. Be ready to show us your annotations and questions when you come back to school.
