Welcome to the athletic program at Mt. Pleasant Community Middle School. We are excited about your participation in one or more of our sports and hope that you have a positive, enjoyable learning experience from your efforts.

The contents of this manual are designed for the parent(s) and athlete and hopefully will answer any questions you may have about the operation of our athletic program. Both parent and athlete need to sign a completed "physical form" which will, as far as we are concerned, serve as your permission for your son/daughter to practice and participate in any of the sports you so choose. Parents will also need to appropriately fill out and sign a form that contains a "consent to treatment" and an "insurance waiver". Both of these forms must be returned to your coach or the school office before any practice or participation will be allowed.

Mt. Pleasant Community Middle School will strive to continue to provide the student athletes with the best possible opportunities for a very rewarding experience in athletics.

Best of luck for a very successful year.

Activities Director

HOW TO BE AN ALL-STAR PARENT

By Rob Gilbert, Ph.D.

How do you define an all-star parent? Very simply, he or she is a parent who is a good sport and a great fan. To become an all-star parent of an athlete, there are times when you must stop parenting. When your son and daughter changes into uniform and becomes an athlete, you also have to change – from parent to fan. Your job on the sidelines or in the stands is not to be a parent, but to be your child's greatest fan.

There's no trick to learn here. You already know how to do this. Remember how you behaved when your baby was learning to walk? You were a fan and a supporter, weren't you? You applauded the "downs" as well as the "ups".

You never said things like, "What's taking you so long?" "How come the kid down the street is walking better than you?" "Why do you keep making the same mistakes over and over again?" You were the world's most appreciative audience.

Why should it be any different now that your child is an athlete? Your job is not to be the coach (unless you are the coach) or the expert. You are there so that you can share the thrill of victory and the agony of defeat – together.

In fact, your child needs your support more in defeat than in victory. Did you ever notice that strangers feel free to come out of the stands and congratulate the winners? But, in defeat, sometimes the athlete's own teammates and coaches ignore her/him. As a parent you have to be there to cushion setbacks with a positive "We'll get 'em next time!"

Three "B's" For All-Star Parenting

1. Be There
2. Be Positive
3. Be Seated

Be There – You can never hope to be an all-star parent unless you show up at games. Regardless of the skill level of your child or the success of the team – go to the games. Be Supportive. Don't be a fickle, fair-weather fan.

Be Positive – On the sidelines, if you can't say something positive, don't say anything at all. Nothing good comes from negative statements and nothing negative comes from positive ones. If you can't be positive, at least be silent.

Be Seated – Even though it's good to be positive, it's not good to overdo it. Don't stick out. Be an admirer – not a cheerleader. Players should not confuse your voice with the public address system.

Once you start to become a positive, acknowledging fan, an interesting thing may happen. Your child will want you at the games. When this happens, you will know that you are considered to be an important member of your child's personal all-star support team.

SPECIFIC RULES

A. ELIGIBILITY RULES

1. To be eligible to compete in extracurricular activities a student must pass at least four (4) full credit subjects each semester. If not passing in four (4) subjects at that time, an athlete is ineligible for the following semester.

B. ELIGIBILITY REQUIREMENTS (As set forth by the IGHS AU & IHSAA) YOU ARE NOT ELIGIBLE:

1. If you do not have a physicians certificate of fitness issued this school year or you are twenty (20) years of age or older.
2. If you have attended high school for more than eight (8) semesters. (Twenty days of attendance or playing in one contest constitutes one semester).
3. If you did not pass the equivalent of twenty semester hours or more the previous semester.
4. If you were out of school last semester, or if you entered school this semester later than the second week of school.
5. If you have changed school this semester. (Except when your parents have the same change of address).
6. If you have ever accepted an award for your high school participation from an outside group other than inexpensive, unframed, unmounted paper certificate of recognition, plaque worth no more than \$10.00 or, if you have received any money for expenses or otherwise, for your participation in an athletic contest.
7. If you have ever trained with a college squad or have participated in a college event.
8. If your habits and conduct both in and out of school are such as to make you unworthy to represent the ideals, principles and standards of your school.

GENERAL RULES

A. CHANGING SPORTS

Athletes will be allowed to transfer from one sport to another during a given season only upon mutual agreement of both coaches and with the approval of the Activities Director.

B. CONDUCT ON TRIPS

Athletes are considered as "good will ambassadors" for Mt. Pleasant Community High School. They will conduct themselves as ladies and gentlemen at all times, both on and off the playing surfaces. The policies concerning expected behavior and conduct as stated in the Mt. Pleasant Community High School Student Handbook are in effect on all trips.

C. DRESS ON TRIPS

Athletes will be neatly dressed according to the coach's standards and expectations on all trips.

D. RETURNING FROM OUT OF TOWN CONTESTS

Athletes will return from all out-of town contests with their squads and by school transportation. EXCEPTIONS can be made by their parents talking to the coach in advance to explain the reason for the request, AND by then providing a written note to the coach requesting the exception.

Please do not make requests to simply ride home with parents rather than the bus or van. The team concept should always be paramount. At no time should an athlete request to ride home with someone other than their parent.

PROCEDURE WHEN LEAVING A SQUAD

WHEN DROPPING OR BEING DROPPED FROM A SQUAD, ATHLETES WILL:

1. Notify the head coach - when they are dropping
2. Turn in all school gear the same day you drop.

INJURY REPORTS

Athletes injured in sports should make sure the coach has filled out an injury report and submitted it to the Activities Director office. This communication is very important. Be sure the coach knows you were injured.

EQUIPMENT / GYMNASIUM PROCEDURES

A. ATHLETIC EQUIPMENT

1. In most sports, practice and/or game equipment will be issued to athletes. Athletes will be responsible for said equipment.
2. All equipment will be returned when the athlete finishes the sport either at the end of the season or upon quitting the sport. Any equipment not returned or paid for, will cause the athlete to be ineligible to compete in the next season. Once fees are paid, the athlete will be eligible again.
3. Any equipment will be paid for by the athlete if it is lost, stolen or destroyed through negligence. The cost of the equipment will be determined by the Activities Director and will be based on replacement cost of equipment. New equipment will be issued only upon receipt of payment for lost articles.
4. School owned equipment is to be worn only at scheduled practice or meets/games.

B. GYMNASIUM PROCEDURE

1. At no time is it permissible for individuals or groups to work out in the gymnasium without authorized supervision.
2. At no times will individuals or groups be working out, jogging or just “messaging around” while teams or squads are having an official practice session.
3. Athletes are not to be in the weight room without authorized adult supervision.

CARRYOVER SPORTS GUIDELINES

The following guidelines are to be followed when dealing with athletes that are completing one sport when another is beginning.

1. Concluding sport has priority. Athletes are not to be discouraged from attending practice of beginning sport after completion of concluding sport practice. Conversely, athletes are not to be penalized for completing their commitment to the concluding sport.
2. Appropriate restrictions in the beginning sport activity may be requested by the concluding sport coach for the dual sport athletes.

These guidelines are NOT intended to put the athlete in the middle of any controversy. All athletes that may be involved in the two sports should be identified prior to the beginning season and parameters set at that time to ensure that athletes and parents are clear on the expectations and commitment expected of the student athletes.

INSURANCE

The Mt. Pleasant Community School District requires all athletes to turn in to their coach an insurance waiver form appropriately filled out and signed by their parent.

This form tells the school district if you have medical insurance that will cover the athlete or not, and if so, identifies your insurance company.

If you do not have medical insurance, information on coverage that can be purchased is available at the principal's office at your school.

PHYSICAL EXAMINATIONS

The State Athletic Union (girls) and Athletic Association (boys) rules require all athletes to have a physical examination before starting athletic practices each year.

Every year the student shall present to the student's superintendent or designee (activities director) a certificate signed by a licensed physician, surgeon, osteopathic physician and surgeon, osteopath, or qualified doctor of chiropractic, to the effect that the student has been examined and may safely engage in athletic competition.

The certificate of physical examination is valid for the purpose of this rule for one (1) calendar year. A grace period not to exceed thirty (30) days is allowed for an expired physical.

Each doctor of chiropractic licensed as of July 1, 1974, shall affirm on each certificate of physical examination completed that the affidavit required by Iowa Code section 151.8 is on file with the Iowa Board of Chiropractic Examiners.

CONCUSSION AWARENESS

Once a year, students participating in interscholastic athletics, cheerleading and dance; and their parents/guardians; must sign the acknowledgement titled "Heads Up: Concussion in High School Sports" and return it to the Athletic Director. Students cannot practice or compete in those activities until this form is signed and returned.

SPORTSMANSHIP FOR PLAYERS

ROLE

The role of the players in sportsmanship is second in importance only to that of the coach. Players are admired and respected by students of all levels as well as adult spectators. They have significant influence over the actions and behavior of spectators of all ages.

REQUIRED RESPONSIBILITIES

Players will perform the following responsibilities:

1. Accept and understand the seriousness of their responsibility and the privilege of representing the school and community.
2. Learn the rules thoroughly and discuss them with people so as to improve understanding and appreciation of the sport.
3. Cooperate with the coaches and always exercise good sportsmanship by living the rules and roles as stated.
4. Only the captain(s) may communicate with the officials on clarification of rules. It is his/her responsibility to communicate what was said back to their teammates and/or coach.
5. Always respect the official's judgment and interpretation of the rules. Never argue or make non-verbal gestures which indicate disagreement. This type of immature activity may incite undesirable behavior in the stands and by teammates.
6. Congratulate opponents in a sincere manner following either victory or defeat. This is a true measure of character.
7. Treat opponents with the respect that is accorded a guest or friend.

PREVENTIVE MEASURES TO BAD SPORTSMANSHIP

BEFORE THE CONTEST

1. Shake hands with opponents and wish them luck.
2. Learn the rules.
3. Practice your coach's rules in character development.

DURING THE CONTEST

1. Help players who are down on the playing surface get back to their feet.
2. Shake hands after an aggressive exchange.
3. Never gesture to officials, players, coaches, or the fans in a negative manner.
4. Never disagree openly with an official's or coach's decision. Carry on ethically and maturely regardless of your true feelings.
5. Show concern for injured players and appreciation by applause as they leave the contest.

AFTER THE CONTEST

1. Make every effort to extend a congratulatory handshake to your opponent immediately at the contest's conclusion.
2. Never debate something that occurred during the game with anyone; it is in the past.
3. Be objective when communicating to the media about the contest. Don't be controlled by your emotions.
4. Show concern for injured opponents and/or teammates.
5. Promote sportsmanship and your athletic experience positively whenever and wherever the opportunity is available.
