Two Dimensions Families:

Two Dimensions has extended its closure until April 10 in alignment with the Centers for Disease Control and Prevention recommendations and surrounding districts. Two Dimensions will always take the necessary precautionary measures to keep its staff and students safe.

As the concerns of the coronavirus (COVID-19) continue to rise, the district is preparing for remote learning for our students. Details for your child's uninterrupted learning experience will be provided by your designated campus.

Two Dimensions will continue to closely monitor the situation as well as work in conjunction with the local health authorities to keep you informed. Furthermore, we are in touch with the Texas Education Agency (TEA) to ensure that student's academics continue to be met.

Educationally,

Daisy Simpson
