

One person can
make a difference
in the life of
a local child.

**BECAUSE
IT ALL
ADDS UP.**

One in five Moniteau County children faces hunger on a regular basis. Buddy Packs are bags of kid-friendly nutrition given on Fridays to children who rely on subsidized lunch at school. **For just \$15 a month, or a \$180 gift, you can provide one Buddy Pack to a Moniteau County child every weekend during the school year.**
