March 7, 2019

Dear St. Elizabeth Families,

Next week is Iowa Testing for grades 2-8. Please be sure your children are on time for school and have had a good breakfast. Testing begins first thing in the morning. If your child is sick, please keep them home. Make-up will be the week of 3/18. Please be advised that there is no homework, projects, or regular tests during Iowa testing.

We are now in the Lenten Season and all Catholics are encouraged not to eat meat on Fridays during Lent. If your child brings lunch on Friday, please no meat. Thank you.

I want to thank all who either helped with organizing and planning the Gala and those who attended. It was a great evening of fun, good food, music and comradery. If you weren't able to attend, I hope you will in the future. A special thanks to Jenny Wells and Krista Barabas for leading the Team Gala!

On March 26<sup>th</sup> and March 28<sup>th</sup> there will be a short program in the morning for grades 4-8 highlighting the Improv Program. This year students in grades 3-8, in lieu of Art, had the opportunity to work with Youth Song during the school day to work on their performance skills. The program was well received by students and the program will end with these performances.

The 2<sup>nd</sup> Trimester is coming to a close this month. Please make sure your students have handed in all assignments. Please contact the teachers if you have any questions. *Also, a reminder that re-registration is past due. Please submit to the office as soon as possible. Tomorrow is the last day for bus forms and you may jeopardize your reimbursement or transportation if forms are not in.*

Have a great weekend!

Sincerely,

Karen A. Lewis
