

ATTENDANCE

Franklin Towne Charter High School is committed to supporting all students in gaining the skills and knowledge they need to be successful. In order to accomplish this goal, all students are expected to attend school daily. Each day a student misses is a lost day of valuable instruction. Even a few days absent will cause a student to fall behind in instruction.

All students must swipe into the building prior to 7:45 a.m., and must be seated in their first assigned class no later than 7:50 a.m. Attendance is taken daily. If your child does not attend school, it is your responsibility to communicate that to the school by sending in a note with your child on the day they return from the absence. In the event they are absent, please be sure to check the online grading system and teachers' websites or email their teachers for missed homework and assignments. We will send out periodic letters to let you know if your child is in jeopardy of losing credit and not being promoted to the next grade level due to excessive absences, but ultimately it is your responsibility to know if your student was in school or not by checking homework, class assignments, notes, etc. If your child has excessive absences, you will be required to come to the school to help develop an attendance improvement plan for your child. You can check the online grading system at any time to verify student attendance.

The school building will officially open at 7:00 a.m. Students are not permitted in the building prior to 7:00 a.m. unless there are qualified personnel in the building to supervise them for safety and security reasons. All students may enter the main building through the student entrance at 7:00 a.m. Students will be permitted to proceed to their lockers/classrooms at 7:40 a.m. All students must swipe into the building prior to 7:45 a.m. and must be seated in first period prior to the bell at 7:50 a.m. to avoid being marked late.

Absence: An absence is defined as a day that a student does not attend at least 2 1/2 blocks of school on a regularly scheduled school day. The school reserves the right to make a determination as to whether the student will receive credit for the day based on the nature of the absence. Any student who is absent from school or requires an early dismissal will be restricted from attending any after school activity. Students are required to be in school for the full day to attend any school sponsored extracurricular activity; including sports competitions, dances, proms, meetings, or events.

Excused Absences: In order for your child's absence to be excused, the school must receive a note from the parent or guardian within 72 hours of your child's return to school. Notes will not be accepted later than 72 hours of the return date. These notes must be given to your child's second block teacher, failure to turn into the correct staff member will result in the absence being recorded as unlawful. The note must state the following:

1. Students full name (first and last)
2. Grade
3. Date(s) student was absent
4. Reason for absence
5. Parent name and phone number
6. Parent signature

The following are recognized as legitimate reasons for an excused absence:

1. Illness of student
2. Death in the family
3. Religious observance (Written notice must be submitted to the Dean of Students at least 24 hours prior to the absence in order to be excused.)
4. Documented Court Appearance

In order for any doctor's note to be recorded as excused, the note must include the following:

1. Student's full name
2. Doctor's name with Doctor's Signature (office stamp is not acceptable)

5. Reason student cannot attend school
6. Date student can return to school
7. Any follow-up if applicable

Franklin Towne reserves the right to reject any absence note from a parent or doctor if it does not comply with the requirements above or is deemed unacceptable, in which case the absence will be recorded as unlawful. This includes forging signatures, falsifying documents or altering the documentation in anyway. The student will also face disciplinary action as well.

Unlawful Absence Definition: An unlawful absence is defined as a day that a student does not attend at least 2 1/2 blocks of school on a regularly scheduled school day AND does not submit proper documentation as outlined above within 72 hours of the child's return to school from the absence. The school reserves the right to make a determination as to whether the student will receive credit for the day based on the nature of the absence. Also, after a student's eighth (8) absence, a doctor's note is required in order for the absence to be lawful, if there is no doctor's note, the absence will be deemed unlawful.

When a student is absent for more than two consecutive days a doctor's note must be provided in order for the absences to be excused.

Truancy: In the state of Pennsylvania a child is considered truant having three (3) or more school days of unexcused absence during the current school year. A child is considered habitually truant once he or she accumulates six (6) unexcused absences during the course of the school year.

To address excessive absences, Franklin Towne Charter High School has adopted the following absentee policy:

(if a student enrolls during the school year, we will pro rate the number of absences pursuant to the number of days remaining in the semester and school year).

1. Parents / legal guardians will receive notification upon the student's third (3rd) unlawful absence of the school year. This notice will include a description of the consequences that will follow if the child becomes habitually truant in the future.
2. A parent / legal guardian will be required to meet with a designated school official for any student who accumulates six (6) unlawful absences, and / or eight (8) total absences any time during the school year. At this meeting, parent / guardian must present any and all documentation relating to their student's absence, at which time the parent / guardian and student must agree to the following: FTC Attendance contract, Truancy Elimination Plan, and Attendance Recovery Plan.
3. Any student that is absent for five (5) consecutive days must have a parent / guardian set an appointment with a designated school official to provide medical documentation, receive class work during the absences, and create a plan for the student to be reinstated when returning to school. The student will be given 48 school hours to complete the missed work. If the student does not present medical documentation the student will not be issued credit for the missed work. At any time, the student is still expected to make up any work that is missed.
4. If, at any time, a student returns to school with restrictions from a physician and the school feels as if the restrictions are an unreasonable burden on either the school or the student, the parent/guardian needs to sign a release of information in order for the school to speak with the doctor. Failure to sign the authorization will result in the school denying all restrictions.
5. Any student that is absent for ten (10) consecutive days will be dropped from roll. Parents will then be required to enroll that student in another school.

Attendance Recovery

If a student is assigned attendance recovery, the student will be given assignments and/or a test on the materials he/she missed during their absences to demonstrate their mastery of the material, or be given assignments to strengthen the student's skills in ongoing academic programs at the school. The grades received on these assignments will be used by the administration calculate the student's semester grade. Failure to fully participate in mandatory attendance recovery will result in disciplinary action, which may include, any penalty up to three (3) day suspension and failure of courses. Summer attendance recovery Any student who is assigned summer attendance recovery or had their grades withheld will be given the opportunity through a cumulative final exam and/or a term paper to demonstrate mastery of the courses that were affected by their attendance. The grades received on the work assigned will be used by the administration to determine whether the student will receive credit for the course.

Early Dismissal Policy

Our goal at Franklin Towne Charter High School is for every student to attend every day so that a student's time on task will meet the required number of hours for credit. We request that all medical appointments be scheduled outside of school hours, but under emergency circumstances, students will be accommodated. Refer to the Code of Conduct for the school's policy regarding excessive early dismissals from school.

The procedures for procuring an early dismissal are:

1. Student is to bring to the front office a note signed by the parent/guardian. The note is to have a phone number where the parent can be reached for verification.
2. In order for the early dismissed to be excused, medical documentation must be turned in to the front desk the following morning justifying the early dismissal.
3. If a student is leaving school early as designated by the nurse, the early dismissal will be excused.
4. No student, regardless of age, may sign him/her-self out of the building. Any student leaving for an early dismissal must be picked up by a parent or guardian. Any student caught missing any class without a valid excuse could be issued a Saturday Suspension. Students who are 18 must also provide advance notice of any early dismissal or their departure from school grounds will be considered as cutting class and will require disciplinary action.
5. Students who leave early for any reason are not permitted to participate in any after school activity without prior approval from administration. This includes trips, dances, proms and athletics.
6. Students who have accumulated more than 5 unexcused early dismissals should refer to the code of conduct.

Students are prohibited from leaving school grounds without parental supervision. When an emergency makes it necessary for a child to leave before dismissal, the student's parent or guardian is required to pick up the student and must provide photo identification each time. If a parent or guardian cannot pick up the student, the adult picking up the student must be listed on the emergency card and must provide identification. Notes must be given to the front desk or advisory teacher the day before the scheduled early dismissal in order for it to be excused.

Homebound Instruction

Students that will be out of school for an extended period of time due to a medical condition may benefit from homebound instruction. In order to qualify for homebound instruction, parent/guardian must contact school to set up an appointment with an administrator. A letter from a physician requesting homebound services, the reason for the request, and the projected duration/end date MUST be presented at the meeting. All requests are subject to review by a physician appointed by Franklin Towne Charter High School prior to services beginning.

Lateness to School

Students who arrive to school after 7:45 a.m. will be marked late. Students that are not in their seat for their first class by the time the bell rings at 7:50 a.m. will receive a detention from their teacher. All students not in the building by 7:45 am are subject to be searched upon arrival. Refer to the Code of Conduct for the school's policy regarding excessive lateness to school.

If a student arrives late because of an appointment (doctor or court appearance) they must bring in adequate documentation in order for the lateness to be excused. Any student who is not present for the 1st and/or 2nd block, must receive administrative approval before participating in any after school activity including, but limited to, trips, dances, proms and athletics.

Vacations

Families wishing to travel during the school year where students will miss school days must submit a written request to the Guidance Department for approval of the travel dates. The Dean of Students must receive a parent's written request at least 2 weeks prior to the travel dates. Parents will be informed, when the dates are approved or the reason(s) for the request being denied. If it is determined that one sibling is ineligible for approval for a planned absence, the school will deny the request for all enrolled students of that family. This includes families with children both Franklin Towne Charter High School and Franklin Towne Charter Elementary School.

There will be no trip absences approved during standardized testing, Keystone examinations, quarterly examinations, or final

examinations. There will be no trip absences approved during the first two weeks of school or last two weeks of school. There will be no trip absences approved for any students who are on a Truancy Elimination Plan, and/or an Attendance Recovery Plan. There will be no trip absences approved for more than five (5) class days. Planned absences that shorten the school year by coinciding with either the beginning or the end of the school year, Thanksgiving or winter and spring breaks are not permitted.

Upon approval, the school will notify a student's teachers of the request. It is the responsibility of the student to obtain and complete work from their teachers.
