The North Haven High School Senior Celebrations kick-off today!!

Thank you to the Board of Education, Dr. Dallai and the High School Administration, the Graduation Committee and all those who helped make these events possible. Most importantly thank you and congratulations to all of our Seniors! It has been the District’s goal to honor you with personal events that celebrate your accomplishments. We appreciate your input and support throughout this time.

The information below highlights each of the events beginning with the cap/gown delivery and ending with Graduation on Monday, June 22, 2020.

**Senior Caps, Gowns, and Gifts Delivery (June 5, 2020)**

Administrators and staff will head out around 8am to deliver caps, gowns, and gifts to all Seniors. Please put something festive such as a balloon on the mailbox or a sign on the door to indicate that your house has a graduate. This is particularly important if your house number is not clearly displayed. These are new routes for the drivers, so they will be doing their best to find each graduate’s home.

**Senior Celebration Event (June 18, 2020)**

June 18th is the last day of the school year and would have been our graduation day. To commemorate this day, we are planning a special “drive through” celebration of our seniors.

This event is not our graduation ceremony. It is a casual and hopefully fun event to mark the occasion and recognize our seniors. Because the event will involve images of seniors displayed, it will take place starting at 9PM, when the sun sets. More info to come...

**Graduation Ceremony (June 22, 2020)**

Our hybrid personal/drive-up plan is taking shape:

- **Location:** NHHS and NHMS parking lots
- **Stage Location:** Walkway between the two parking lots, with cars from each lot facing stage
- **Speeches:** We plan to have our student speakers deliver their addresses live to the audience.
- **Stage Setup:** The stage will be set up “vertically” between the NHHS and NHMS parking lots. The graduate will pick up the diploma cover and pose for a picture taken by the professional photographer. The principal will wait at the foot of the stage to offer individual congratulations to each graduate.
- **Audio/Video:** The plan is to broadcast our ceremony on a PA system that carries through the parking lots and on FM radio for listening in vehicles. There will be a system that will allow the ceremony’s audio and video to be simulcast live to Jumbotron-style 16 foot video screens on top of trailers around the parking lots. The ceremony will also be simulcasted on NHTV!
- **More specific information coming soon...**
Congratulations to the NHHS Class of 2020!!!
