### HIGH SCHOOL PROFILE

Manchester Regional High School is a public, comprehensive, four-year high school serving the communities of Haledon, North Haledon and Prospect Park as well as Interdistrict Public School Choice Program students.

### COMMUNITY PROFILE

Our community is rich with diversity. We have a wide range of family backgrounds that differ in culture, tradition, occupational level, and wealth. Our students display a wide range of interests, achievements and aspirations. Therefore, each student's program is an individually planned experience related to his/her own developing needs and goals.

### RENAISSANCE SCHOOL

Manchester Regional High School takes great pride in being counted among an impressive list of schools nationwide that are Renaissance Schools. Renaissance is a national education-focused program that recognizes and rewards the social and academic achievement of students. This program brings together school and community in a unique cooperation that increases student performance, enhances teacher enthusiasm, and raises the level of community participation.
