WELCOME TO YOUR
PARENT TEACHER STUDENT ASSOCIATION

We are a group of caring volunteers with the mission of making the potential of every student at Kalaheo HS a reality by engaging and empowering families and our community to advocate for all children. We value collaboration, commitment, diversity, respect and accountability.

During the teenage years, it is more important than ever for parents to stay involved in their child’s education. In fact, over 500 independent studies show that when parents are involved, it makes a tremendous difference.

A strong and positive relationship between students, parents, teachers, and the community fosters school success. Amplify your voice and improve the school by joining the PTSA. Create the village that helps raise our kids and strengthen our community. Let’s work together so that all students experience greater success, including the ones closest to your heart.

Too busy to get involved? No time commitment required. Your membership dues will help us achieve our goals.
