## II. BACKGROUND

### Owner Background

Weld County School District RE-5J has approximately 3,800 students and has schools located in Milliken and Johnstown Colorado. There are 2 elementary schools, 1 early learning center and 1 middle school in Milliken and 2 elementary schools, 1 high school and a transportation center in Johnstown.

### Project Description

The District will pursue BEST Grant opportunities for specific roofing projects. Other capital projects are being finalized including renovations, new additions to address capacity issues, programming enhancements, energy enhancements, technology & security improvements, roofing repairs/replacement and other special projects and identified maintenance priorities for each of the schools. Weld County School District RE-5J reserves the right to retain the selected firm as roofing consultant for future projects of the District. The District intends to create a roofing master plan and establish roofing specifications to be implemented throughout the District.

## III. RFQ/P OBJECTIVE

The purpose of this RFQ is to solicit a Qualified Roof Consultant (Candidate) to contract with the Owner and also work closely with the CDE and the selected AE consultant to provide customary roof consulting services for the evaluation of existing conditions and preparation of recommendations, as well as overseeing the design, bidding, construction, and post-occupancy phases of the project.

## IV. SUBMITTAL REQUIREMENTS

Organize your RFQ response using the following outline. Please separate each section with dividers or tabs using the appropriate section labels.

## **SECTION 1 – LETTER OF INTEREST**

A maximum two page letter of interest that includes a synopsis of the firm, business principals, distinguishing characteristics, approach to completing this project, primary contact information, and signed by the principal-in-charge.

## **SECTION 2 – EXPERIENCE AND QUALIFICATIONS**

Please address each criterion listed below as it relates to your firms relevant experience and qualifications.

1. Identify the individual who will be the main point of contact and the team responsible for providing services for the duration of the project. Consultant shall not change or substitute these individuals without prior approval. The Owner reserves the right to determine the acceptability of these individuals.
2. Provide all team members experience and responsibilities, including resumes. Provide background information including relevant education, professional titles, related qualifications, specific roles in past projects.
3. Describe your firms past experience with providing Roof Consulting services, highlighting any K-12 projects with similar size and scope to the proposed project.
4. Describe your firm's process for evaluating and recommending multiple roof solutions for Owner consideration.
5. The Owner expects the selected roof consultant to offer unbiased, independent recommendations and services in the selection and specification of roofing materials. Please disclose any ties, financial or otherwise, to any person, project, manufacturer, or the consultant's own interests, that could affect your professional judgment, or state in writing the absence of such influences or conflicts of interest.
6. The Owner requests that specifications will be based on industry standards, without prejudice toward preferred manufacturers, and open to multiple products and installers. Describe how you intend to accommodate open, competitive specifications of products while ensuring quality installation and materials.
7. Describe your ability or approach to verifying structural conditions and roof insulation factors in roofing projects.
8. Describe your approach to roof contractor procurement in order to optimize bid coverage, transparency, quality, and value for the district.
9. Demonstrate your ability and experience providing district-wide roof maintenance/replacement plans.
10. Show your ability/approach to organize, develop and maintain project schedules, and describe how your firm handles contractor schedule delays.
11. This project requires the Candidate to carry, at a minimum, general liability insurance and workers compensation according to State laws.
12. Demonstrate ability to manage and develop a master budget and maintain it throughout the project to ensure a quality project is delivered within budget.
13. Provide description of any lawsuits or claims including status and resolutions.
14. Identify any other unique challenges/ approaches that you have experienced that will assist the Owner with a successful project.
15. Describe your firm's process for minimizing Owner's risk thought a project.

## **SECTION 3 – SCOPE OF SERVICES**

The Roof Consultant is expected to act on the owner's behalf in overseeing the project through completion and into occupancy. The candidate's proposed scope of services should include, but is not limited to, each item listed below. Please provide a narrative of your approach to providing the services below, and explicitly identify any additions or exclusions. When appropriate include the number of meetings, site visits, etc., and any other pertinent descriptions that clearly identify services included in the proposal.

## **1. Roof Evaluation Services**

- a. Complete site visits to review roofing conditions and acquire information including photographs, core samples, etc., in order to create a detailed report.
- b. Assist the Owner in developing/updating a district-wide roof maintenance and replacement plan.
- c. Review current roofing design and provide recommendations for repair or replacement in affected areas or roof decks, including multiple options with consideration for material performance, local availability, cost considerations, structural implications, etc.
- d. Develop a detailed scope and budget for roof decks where urgent repair/replacement is recommended.
- e. Provide examples of your drawings, specification details, site visit reports, and quality control process.

## **2. ADD ALTERNATE #1 – Grant Application Support Services**

In the event that roof evaluation process results in the Owner proceeding with a BEST Grant application, the Owner may request assistance with preparation of a BEST grant application. These grant assistance services may include but are not limited to:

- a. Preparing a complete project budget and ensuring that all costs (hard, soft and owner) and scope are included in the grant application, with appropriate contingencies;
- b. Acquiring a minimum of two contractor quotes/estimates for the proposed scope;
- c. Reviewing BEST application requirements and familiarization with BEST grant information from CDE website;
- d. Assistance with updating the Owner's CDE Facility Assessment through review comments;
- e. Communication and cooperation with CDE staff as needed;
- f. Preparing or assisting in preparation of the BEST grant application including scope narrative for final Owner approval;
- g. Providing additional information required for CDE to complete the analysis of the grant application;
- h. Researching additional project costs due to abatement, infrastructure, on and off-site utilities, etc;
- i. Acting as a liaison for the Owner for CDE follow-up grant questions;
- j. Other duties as required.

If the candidate is interested in providing add alternate #1, please provide a narrative expressing your firms interest, ability and capacity to complete this scope as presented.

## **3. ADD ALTERNATE #2 – Roof Design, Project Management, and Construction Administration Services**

In the event that roof evaluation process results in the Owner electing to proceed with a roof repair or replacement project, the Owner may request the consultant to proceed with design and installation phase services. These services may include but are not limited to:

- a. Complete preparation of plans and specifications to be used to bid this project.
  - i. Specifications must be clear and require an enforceable material and labor warranty from the manufacturer and installer.
  - ii. Specifications should allow competitive bidding between multiple installers and multiple equivalent products/manufacturers.
- b. Applicant will act as the owner's representative for the roofing project and attend all meetings pertinent to the project.

- c. Applicant will assist the Owner with bidding the project, reviewing the proposals, qualifying and recommending a roofing contractor, and negotiating the contract between the roofing contractor and the owner.
- d. Assist the owner in obtaining all of the required permits.
- e. Observe the project installation and answer any questions that the Owner, roofing contractor, or CDE may have.
- f. During roofing installation, ensure that all plans and specification are being followed and that requirements are met to obtain warranty, including manufacturer's inspections and manufacturer's notifications as applicable.
- g. Ensure manufacturer is adequately notified, and coordinate manufacturer site visits during construction, requesting final and progress manufacturer's reports as needed.
- h. Provide regular roofing progress and final reports, including detailed observations and labeled photographs throughout construction. All reports should be provided to the Owner and copied to CDE.
- i. Review and approve the contractor's pay requests and forward them to the Owner.
- j. Provide oversight and record-keeping for construction change management, potentially including requests for additional funding to cover unforeseeable conditions through grant reserve requests.
- k. Close out the project and follow-up with all pertinent documents. At project completion, provide a detailed final report with labeled photos and clear notation that all punchlist items have been completed to the consultant's satisfaction per the design drawings.
- l. Assist the Owner with any disputes, discrepancies regarding schedule, scope, delays, and/or events that cause damage to district facilities.
- m. Ensure that warranty information for the roof is clearly noted, and ensure that the Owner obtains all necessary documentation including certificate of warranty and contact information for any required follow-up. Warranty information to include the length of warranty for both the roofing contractor and the roofing manufacturer.
- n. Complete annual inspections for the first three (3) years after roofing has been installed, provide detailed reports of each inspection, and make any required follow-up coordination with contractor to address deficiencies.

If the candidate is interested in providing add alternate #2, please provide a narrative expressing your firms interest, ability and capacity to complete this scope as presented.

## **SECTION 4 – SCHEDULE**

It is expected that your firm has the current capabilities and capacity to complete the project by the date listed in the project schedule. Provide a detailed schedule, including milestones, from the notice to proceed date through post-occupancy services. Provide reasoning, in this section, for any modifications or alterations your firm wishes to make to the recommended project schedule. Refer to attached nonspecific preliminary schedule.

## **SECTION 5 – REFERENCES**

Provide a comprehensive list of **ALL** school projects completed or begun within the last 5 years, with contact information, along with a project description. Identify in the reference list which projects this team has performed collectively. The Owner reserves the right to check additional references beyond those provided in the submittal.

## V. SUBMITTAL REVIEW & SELECTION PROCESS

### Phase 1 – RFQ Review

The Owner’s Selection Committee will evaluate and score the RFQ submittals based on the selection criteria listed below:

<b>Selection Criteria</b>	<b>Max Points Possible</b>
Section 1: <b>Letter of Interest.</b> How complete and concise was the letter of interest and RFQ/P response? Was the RFQ/P well organized, with complete information responding to all of the submittal criteria?	20 points
Section 2: <b>Experience and Qualifications</b> Provided a comprehensive and insightful experience and qualifications package which highlighted key personnel in addition to other items as stated.	30 points
Section 3: <b>Scope of Services.</b> Candidate has affirmed each of the Owners requirements for this project and demonstrates a clear understanding of Owner's needs and clear direction toward completing scope of work.	30 points
Section 4: <b>Schedule.</b> Ability to complete the tasks within the timeframe needed. Submitted complete & understandable schedule.	15 points
Section 5: <b>References.</b> Candidate has provided a comprehensive project list with contact information for projects completed over the last five years.	5 points
<b>Total Points</b>	<b>100 points</b>

## VI. FEE PROPOSAL

Candidates shall prepare a detailed fee proposal as outlined below. The fee proposal is to be submitted in a sealed envelope prior to the start of their interview. Failure to provide a fee proposal which addresses each of the items listed below may result in disqualification from the RFQ/P process. Failure to provide each of the items listed below may result in a reduction of the fee proposal score.

Detailed fee proposals shall include the following:

- ✓ Lump sum fee;
- ✓ Detailed statement of work;
- ✓ Confirmation that all scope items from the original RFQ/P will be addressed;
- ✓ Any exclusions with explanations;
- ✓ # of hours;
- ✓ # of people;
- ✓ Other resources;
- ✓ How the resources are to be used;
- ✓ Breakout of anticipated reimbursables included in the lump sum fee proposal;
- ✓ Hourly rates for all personnel involved in the project;
- ✓ Number of site visits anticipated to complete the work;
- ✓ Breakout of fees for any non-required scope proposed;
- ✓ Pricing for add alternate #1 – Grant Application Support Services\*
- ✓ Pricing for add alternate #2 – Roof Design Services\*

\*Note: Both add alternate #1 and add alternate #2 are to be considered optional for the Owner. Provide a separate fee for each of these services independent of your base fee.

The negotiated fee is anticipated to include all costs including reimbursables for the project resulting in a lump sum contract.

Only the fee proposal of the apparent winner will be revealed to the selection committee. Sealed fee proposals of the candidates will be opened and scored separately once all other qualifications-based scoring has been completed.

If the apparent winner's fee exceeds the Owners budget and if subsequent negotiations with the apparent winner are unsuccessful, the Owner reserves the right to negotiate with the next highest-scoring Candidate.

## VII. Acceptance and Rejection

After the final selection has been made, the Owner will provide a summary of scores and a decision memorandum to each of the RFQ/P Candidates.

The Owner reserves the right to select any or reject any and all proposals in their best interest. The Owner also reserves the right to pre-qualify any or all Candidates or reject any or all Candidates as unqualified, including without limitation the right to reject any or all nonconforming, nonresponsive, unbalanced, or conditional, qualifications. The Owner also reserves the right to re-solicit, waive all informalities not involving price, time, or changes in the work, and to negotiate contract terms with the apparent successful proposer.

The Owner is not responsible for cost incurred in preparation of this proposal. Proposals will not be returned and become the property of the Owner once submitted, which could be publically shared. By submitting a proposal all Candidates agree to the terms and conditions of this RFQ/P and the RFQ/P will become part of the awarded Candidates contract. The apparent winner will be responsible for submitting a draft agreement to be used for this project. The Owner and the Owner's legal council will review the agreement and negotiate terms prior to commencement of work.

## VIII. RFQ/P Supporting Material

The following information is summarized from the Weld County School District RE-5J, 2018 Facility Master Plan and is for informational purposes in regard to the project:

1. Milliken Elementary School – New roof and roof drainage improvements
2. Pioneer Ridge Elementary School – Roof evaluation
3. Letford Elementary School – New roof and roof drainage improvements
4. Milliken Middle School – New roof and roof drainage improvements
5. Roosevelt High School – New roof and roof drainage improvements
6. Transportation Center – Roof evaluation
7. Early Learning Center – Roof evaluation

### List of school facilities and year of original construction:

School	Year of Original Construction
Early Learning Center	1999
Letford Elementary School	1954
Milliken Elementary School	1972
Milliken Middle School	1967
Pioneer Ridge Elementary School	2005
Roosevelt High School	1967
Transportation Center	Not Known
