

## Alhambra Unified School District 2018-2019 Education Protection Account (EPA) Spending Plan

Proposition 30, The Schools and Local Public Safety Protection Act of 2012, approved by the voters on November 6, 2012, temporarily increases the states sales tax rate for all taxpayers and the personal income tax rates for upper-income taxpayer.

The new revenues generated from Proposition 30 are deposited into a newly created state account called the Education Protection Account (EPA). School districts, county offices of education, and charter school (LEAs) will received funds from the EPA based on the proportionate share of the statewide revenue limit amount. A corresponding reduction is made to an LEA's revenue limit EPA entitlement. LEAs will receive EPA payment quarterly beginning with the 2014-2015 Fiscal Year.

Proposition 30 provides that all K-14 local agencies have the sole authority to determine how the funds received from the EPA are spent, but with these provisions:

The spending plan must be approved by the governing board during a public meeting. EPA funds cannot be used for the salaries or benefits of administrators or any other administrative cost. Refer to the attached list of functions for which EPA funds may be used. Each year, the local agencies must publish on its website an accounting of how much money was received from EPA and how the funds were expended.

Alhambra Unified School District estimated 2018-2019 EPA Entitlement \$23,440,388

It is proposed that EPA funds be used to cover salary costs of non-administrative certificated. The percentage of funds used per group is determined by their share of costs to the general fund. Salaries below are calculated assuming no furlough days and /or salary rollbacks. Any difference in revenue and/or expenditures will be adjusted in teacher salaries.
