

NOTRE DAME ACADEMY
Educating Young Women To Make A Difference

January 5, 2019

Dear Friend of NDA:

Thank you for your faithful commitment to women's education. For 70 years, we have been *educating young women to make a difference* in our world and your partnership with us is extremely important to our families, our faculty, our students and our alumnae living around the globe. We humbly ask you to partner with us to raise much needed funding for a new, multi-use van for our young women.

MARCH MADNESS -- *Step and Repeat*

Saturday, March 16, 2019
Marina City Club, Marina Del Rey

We need your sponsorship and support!

Over 300 guests will come together in fellowship and celebration to dance, bid on auction items, enjoy a delicious meal together and support our worthy cause. From high-end and creative to practical and necessary – our silent and live auction items are always the hit of the evening! We hope that you will consider supporting our annual fundraiser with a financial donation and/or a live or silent auction item. Your participation is needed and will make a difference!

Since 1949, the Academy has been preparing bright and talented young women to be compassionate, social-justice leaders in their communities and in all areas of need throughout our global community. This year's **Gala** will serve as the single largest source of revenue to purchase a new school van that will safely transport our young women to athletic games, robotic competitions, rocketry launches, mock trial exhibitions, dance productions, Christian Service opportunities, retreats and much more. We hope that you will generously support our **Gala**; ***your gift of paying it forward allows our students the opportunity to pay it back.***

We are deeply grateful for your consideration and your big heart – we cannot do it without you. We know tickets will sell quickly and you and your company/organization will have a high level of visibility throughout the night on multiple TVs, in the evening's program and on our website. ***Thank you in advance for your generosity and kindness.***

If you would like additional information on Notre Dame Academy or our upcoming **Gala**, please contact Nancy Ehrmann, Advancement Director, at nehrmann@ndala.com.

Thank you for making a difference!
