UNIFIED BASKETBALL

In November we had our unified flag football game that was hosted by CV. The kids had a great time and were extremely excited to bring our Unified football trophy back to our school! We appreciate all who came out and supported the team and know that the students were filled with joy. One of our visually impaired kiddos, was holding on to my arm and excitedly expressed how much it meant to him when he heard everyone cheering for him as we walked through the commons to head out. In that moment of happiness I realized how fortunate I am to be a part of Unified. Working with special needs students is a passion of mine, and seeing them blossom with the help of our gen. ed. students makes for a proud moment. We have slowly transitioned into our unified basketball season, and I have received an amazing turnout of both special need and gen. ed. students. I wanted to say thank you to everyone who has encouraged their students to be a part of unified. It is a great feeling to be a part of a staff that understands how important inclusion is for our students and school as a whole!!!

A copy of the unified basketball schedule is below. As always it's a great day to be a TITAN!!
